suite layout

Meals: All meals are included. Students will receive three nutritious meals daily.

Breakfast is served at the residence. Depending on our schedule, some days may have a hot lunch, but most days the lunch is cold (sandwich, fruit, cookie, yogurt, or granola bar). All dinners are a hot meal served at the residence.

We normally have a special dinner every Sunday night (either from a local restaurant or our own barbecue)!

Facilities: the residence is well equipped. There are variety of activities available including: billiards, ping pong, movies (there is a movie room), sports (soccer, basketball & beach volleyball). Located directly beside the residence is a modern, state-of-the-art fitness center that those staying in residence are free to use.

ACCESS Monitor: An ACCESS staff member lives at the residence to supervise students. Group leaders are expected to assist in supervising their group. The ACCESS monitor is in charge of engaging students in evening activities.
