Programs and activities

Come study Spanish at Agora Language Center, as you explore Playa del Carmen, the Riviera Maya and Yucatan Peninsula. After your morning classes, you have time for the beach, or even short afternoon trips to nearby cenotes, go snorkeling or swim with turtles. On weekends you can discover the Mayan sites nearby, go diving and so much more.

Intensive Spanish courses

The intensive course is what most students choose. The course is 20 hours per week, Monday to Friday, 9 am to 1 pm, in small groups of 3 to 5 persons (usually 3 in low season, and up to 6 in high season). A minimum of 3 is necessary to have a group. In case there is only one student of a specific level, the student gets 10 private hours instead of 20 in a group. If there are only 2 students of a given level, they get 15 semi-private hours instead of 20 in a group.

Prior to the course, we send the students a placement test to have a more precise idea of their level. This is usually complemented by a brief, oral interview on the first day of class.

For students who do not wish to (or cannot) take the intensive course, we also offer private and semi private classes.. These are usually held in the afternoons or evenings on weekdays. Yet another option is online classes (Skype or Zoom) or a combination of in person and online classes (only for private classes).

Accommodation

Students at Agora can choose to stay in a host family, private bedroom and bathroom, with the option of breakfast or breakfast and dinner. Host families typically live 15 to 20 minutes from the school, walking distance. Another option is to share a student's apartment, only 5 minutes from the school. The apartment has 2 bedrooms and 2 bathrooms, fully equipped kitchen, balconies, and access to a small swimming pool inside the condo. There are also lots of hostels and hotels in the area. Agora is happy to advise on all options.

Activities

Depending on the students' interests, the school can organize cooking classes, where you can learn the basics of Mexican cuisine, guacamole, enchiladas, chilaquiles, pozole and mole, among others.

We also offer language games, workshops on Mexican history, traditions, music, and art.

You can learn how to make a piñata or even an alebrije.

Excursions and tours

On weekends, we organize excursions to the main archaeological sites, Tulum, Chichen Itza, Coba, but also to the several islands in the area (Cozumel, Isla Mujeres, Holbox) or other sites of interest, snorkeling spots and cenotes.
