Live an internship or volunteer

Banana Spanish School offers you the opportunity to go beyond your comfort zone and do an internship in Ecuador. Before starting your internship you must take **at least forty hours of Spanish classes with us**. The internships that we can offer you at the moment are the following:

Marketing

Social work

Tourism

Medicine

With our volunteer program, we work together with different social organizations that hire volunteers. As a volunteer looking for work, you should always keep in mind that the majority of **organizations accept volunteers for a short time**.

The volunteers have the option to work in Quito in a kinder garden, with street children or disabled children. If the volunteers prefer they also can work in a national park, an organic farm, rescue stations for animals, or work in natural protection organizations in different areas of the country.

If you work as a volunteer you have the opportunity to help with the social problems of Quito and also improve your Spanish level because you practice more with native people.
