BLI English and French courses focus on developing the four main language skills: speaking, reading, listening, and writing with the correct use of grammar structures, vocabulary, and phonetics.

Using the Communicative Approach, the advantage for students at BLI is that upon completion of their program, they will be better equipped to communicate in a spontaneous and natural way, and they will be better at expressing their thoughts and ideas.

Test preparation is available for IELTS, TOEFL, CELPIP, DELF, and TEFAQ. For course dates, please contact us.

1 lesson is equal to 50 minutes.
 Lunch break is from 12:00 – 12:50

In some courses, students at multiple language levels are combined. This enables them to draw on each other's strengths and skills and advance through peer mentoring.

REFUND AND CANCELLATION POLICY

All notices regarding cancellations and refunds must be submitted in writing by mail or email, including the reason for withdrawing from the program and a valid justification for the request.

Refunds will go to the same person and account used for the original payment (bank transfer, credit card, or direct deposit). We will deduct bank and credit card fees from the total refund amount.

CANCELLATIONS

All notices regarding cancellations and refunds must be submitted in writing, either by mail or email, and must include the reason for your withdrawal from the program. **The registration fee, accommodation placement fee, official letter for student visa fee, and custodianship letter fee are non-refundable.**

We provide a full refund for visa refusals. The registration fee, accommodation placement fee, official letter for student visa fee, custodianship letter fee, and any applicable bank fees are not refundable.

BLI requires the original CIC letter of refusal to process your refund. We will not issue refunds without this document.

If you registered with BLI under a promotional offer that waived the registration fee, an administrative fee equal to the registration fee will apply.

PROGRAM CANCELLATION Before Program Start Date

If you cancel your program **within ten days** of registering, there will be **no cancellation fee**.

If you cancel **31 days or more** before the program starts, we will charge **30% of the tuition fees**.

If you cancel less than **30 days** before the program starts, we will charge **40% of the tuition fees**.

If CIC denies your visa, we will only charge the registration fee, accommodation placement fee, official letter for student visa fee, custodianship letter fee, and bank fees. No additional cancellation fees will apply.

After Program Start Date

If you cancel **within 1% to 10% of your program's total length**, we will charge **50% of the fees**.

If you cancel **within 11% to 24% of your program's total length**, we will charge **70% of the fees**.

If you cancel after **completing 25% of your program**, we will charge **100% of the fees**.

Since BLI prices vary by program length, if you decide to shorten your program and are eligible for a refund, the weekly rate may change if your program duration falls into a different price range.

Partially used weeks will count as full weeks without exception.

If you wish to cancel your program at BLI, you must show that you are legally allowed to remain in Canada. Otherwise, you must include proof of your departure with your refund request. Provide a photocopy of a fully paid, non-refundable plane ticket to your home country. If you enroll in another school, you must submit the original letter of acceptance and the tuition payment receipt to prove that you meet the conditions of your initial visa application. If you cannot provide these documents and still want to stay in Canada, you must apply for a change in your visa status.

PROGRAM CHANGE

You can upgrade your program but cannot downgrade it. For example, if you want to switch from a full-time program to a part-time program, you must cancel the current program and reapply. The cancellation policy will apply. You cannot transfer BLI courses and services under any circumstances.

POSTPONEMENT

If you wish to postpone your program's start date, notify BLI in advance. We will issue a new letter of acceptance for the later date. If your program lasts less than six months, we won't charge a fee. However, if your program lasts six months or longer, we will charge \$110 CAD.

HOMESTAY CANCELLATION POLICY

When you register with BLI using a promotional offer and do not pay accommodation fees, we will charge an administrative fee equal to the accommodation placement fee. This fee is non-refundable.

Cancel **less than four weeks before the arrival date, and we will charge for two weeks** of homestay.

Cancel **less than one week before the arrival date** or in case of a **no-show, and we will charge for four weeks** of homestay.

For homestay bookings of one month or less, provide the Student Services Coordinator with two weeks' written notice. If you leave before the 2-week notice period ends, we will not refund the days you do not stay. The first two weeks of your homestay are non-refundable.

We do not refund missed meals. For homestay bookings of more than one month, give the Student Services Coordinator 1 month's notice. If you leave before the month ends, we will not refund the unused days of that month, but we will refund any remaining unused fees.

HOMESTAY CHANGES

If you face a severe problem with your host family that requires an immediate transfer, the Student Services Coordinator will help you find a new family at no extra cost. As long as you have a valid reason for requesting the change, we will not charge for the new homestay placement. If you decide to change accommodation for personal reasons, we will charge a fee for the new placement. Send all requests for changes, notices, or cancellations to the Student Services Coordinator.
