# The Bucksmore Education Journey

Our broad range of English Language courses allow students to follow their own unique Bucksmore Education Journey that can complement and add value to their current school curriculum. Designed to develop and challenge students, our programmes offer a high-level of English language development and academic content ranging from professional industry insights to university preparation that students can use to help them progress towards their future education and career goals.

## English Foundation

*All English language levels*

For those at the beginning of their learning journey, our range of English language courses offers specialist tuition tailored specifically to a summer school setting.

## Young Professionals

*Intermediate to native English language levels*

Academic and industry certified short courses designed for ambitious students who wish to further develop their professional expertise.

## Pre-University Preparation

*Advanced to native English language level*

Subject specific academic tuition for high-achieving students aiming to study at top universities.
