CLA FAMILY PACKAGE - SAN DIEGO

CLA's Family Package is a great way for families to learn English while bonding in San Diego. Through language immersion, families can enhance their skills and gain insight into American culture. The program also includes fun, educational, and culturally enriching activities, such as city tours, cooking classes, and theme park trips.

Families will have 12 hours of ESL classes (Monday to Thursday) each week, with separate classes for adults and children. They'll join together for two days of activities and participate in age-appropriate activities for the other two days (Fridays are free for the family). This structure provides tailored language instruction and opportunities for shared learning experiences.
