

”Individual and private group live online Portuguese courses, which you can enjoy from the comfort of your home or office, at a time that is convenient to you.”

3 reasons to book online lessons with CIAL:

- 
 If you cannot travel to Portugal, you don't need to give up your plans to study Portuguese. CIAL will organize a suitable program of online lessons.
- 
 'Break the ice' or remember what you studied a long time ago. Begin your classes online before travelling to Lisbon or Faro.
- 
 Continue studying Portuguese when you return home and keep progressing in the language.

These live face to face online courses use  zoom technology, which enables live interactive teaching and learning, just like being in an actual classroom.

All teaching materials are included.

After receiving the booking, the school will arrange the schedule directly with the student.
