Communicate with Confidence in Englishsm

In today's world, the ability to communicate effectively and with confidence in English is often necessary for professional and academic success. With over 52 years of experience, Converse International School of Languages (CISL) is a leader in English language training.

Since 1972, motivated students from around the world have received rigorous English language training from CISL. The mission of CISL is to help our clients learn to communicate effectively and with confidence in English. Our experienced instructors help identify students' needs and challenge them every day to maximize their learning potential in a friendly, stimulating environment.

CONVERSE INTERNATIONAL SCHOOL OF LANGUAGES:

- 52+ years of excellence in English instruction
- Culturally diverse classrooms
- Accredited programs in sunny San Diego, California
- Qualified instructors
- An average of 8 students per class
- Partnerships with prestigious U.S. colleges and universities

CISL is fully accredited by the Commission on English Language Accreditation (CEA), which is recognized by the U.S. Secretary of Education and is the only specialized accrediting agency for English language programs in the United States.

What is Pathway?

The Academic Pathway Program at CISL provides students the opportunity to perfect their academic English skills in the highly effective CISL environment before transferring to one of CISL's partner colleges or universities for a post-secondary degree.

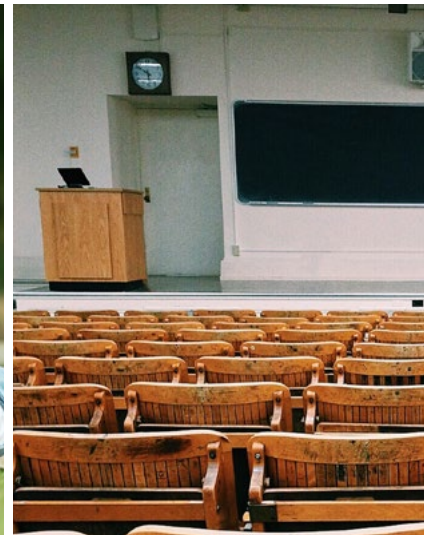

With Pathway, CISL students have access to our partner colleges and universities, which represent some of the most esteemed colleges at affordable prices.

PATHWAY CONSISTS OF TWO PARTS

- **Part 1:**
Students attend CISL classes, including the English for Academic Purposes (EAP) course.
- **Part 2:**
Students transfer to a Pathway Partner and complete their degree (associate's, bachelor's, master's, or doctorate).

“ I have been studying at CISL San Diego for 4 weeks...and at this time my English is improving very fast. Because there are not more than 8 students in the English classes, each student has enough time to ask questions and have conversation with the teacher.”

ÇAGIL, TURKEY

Why CISL?

ACCREDITATION

Converse International School of Languages is fully accredited by the Commission on English Language Accreditation (CEA).

CEA is recognized by the U.S. Secretary of Education as a national accrediting agency for English language programs and institutions in the U.S.

A HISTORY OF ACADEMIC EXPERIENCE

CISL has provided international students quality English instruction for more than 52 years.

EXCELLENCE IN ACADEMIC ENGLISH

CISL has highly qualified instructors that help students master the skills necessary to succeed in the American university setting.

CAMBRIDGE ENGLISH: C1 ADVANCED (CAE) B2 FIRST (FCE)

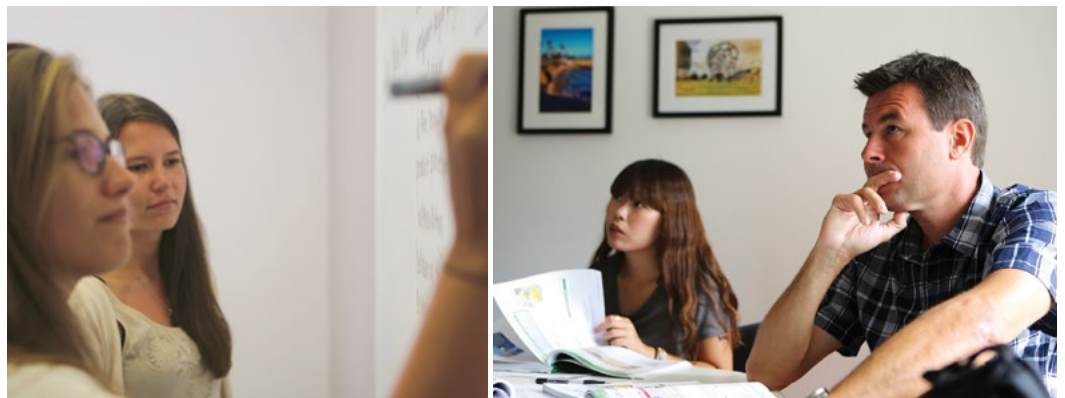

CISL has provided intensive Cambridge Assessment English courses for over 25 years. CISL San Diego is a Cambridge testing center. CISL also offers intensive IELTS instruction.

Average 8 STUDENTS PER CLASS

CISL's adult classes are never more than 10 students (an average of 8) for all programs. Students receive quality time and attention from their dedicated instructors.

DIVERSE CLASSROOMS

CISL students come from around the world. CISL is proud to offer students a diverse classroom setting in San Diego. [See our San Diego nationality mixes.](#)

Why Pathway?

STRONG ADVISORY SUPPORT

CISL Academic Pathway students receive the support and guidance of the Pathway Coordinator and other CISL staff members, who present students with their educational options and help each student choose an individualized academic plan that best meets their future academic and career goals. Assistance with applications, visas, and payments are all included in Pathway services.

GUARANTEED COLLEGE UNIVERSITY ADMISSION

CISL Pathway partners in the California Community College system are part of the “Degree With a Guarantee” program. **Students enrolled in one of the selected programs at a partner California Community College are guaranteed admittance to a California State University campus.** Guaranteed acceptance removes the stress transfer students often experience and allows students to focus on what is important: their studies!

OUTSTANDING CHOICES FOR ALL ACADEMIC AND CAREER GOALS

Academic Pathway student options are broad: CISL Pathway Partners include colleges, universities, liberal arts schools, technical institutions, film schools, and even aviation academies. Whatever your academic and career goals are, CISL and CISL Pathway Partners will help you achieve them!

TOEFL WAIVERS

CISL Pathway Partners do not require a TOEFL score for admission. Students simply need to successfully complete the CISL English for Academic Purposes (EAP) course, or complete level 9 (CI).

STRONG INTERNATIONAL STUDENT SUPPORT

CISL has selected its Pathway Partners based on their dedication to the international student experience. Partner schools provide support for students in regard to health care, housing, academic advising, and socializing. The American academic experience is all-encompassing, and students experience this through college at one of CISL's partner schools!

AMAZING LOCATIONS

CISL Pathway Partners are located throughout the U.S., with a concentration of colleges and universities on the West Coast. Take classes in exciting Los Angeles, beautiful Northern San Diego, cosmopolitan San Francisco, the Santa Barbara seaside, the unique city of Berkeley, or in charming Northwestern communities like Bellingham, Washington. Or experience the East Coast in historic Boston and iconic New York City!

CONDITIONAL ACCEPTANCE

CISL Pathway Partners offer Conditional Acceptance letters to students who apply when they have not quite yet reached the required level of English. Students can continue their English studies without worry about their academic future: it's secure!

Why Study in the U.S.?

ACADEMIC PRESTIGE

The United States is home to most of the top universities in the world. An education in the U.S. provides access to some of the globe's brightest minds, most dynamic teachers, and most motivated student populations. A degree from the U.S. is universally accepted by most countries and carries weight and prestige.

THE COMPLETE "AMERICAN UNIVERSITY EXPERIENCE"

U.S. colleges and universities are places for personal growth, and campuses are dedicated to providing students with an academic and social experience. Students constantly have options of attending campus sporting events and festivals; additionally, students can participate in intramural sports, cultural centers, student government associations, student groups, and campus activities such as fairs and concerts.

ACADEMIC OPTIONS

U.S. colleges and universities provide an array of options for study. In addition to majors in the arts and sciences, students have the option to study other popular majors such as business, finance, medicine, marketing, law, and journalism. Campuses also provide majors not often found in colleges outside of the U.S.;

EXCELLENT STUDENT SERVICES

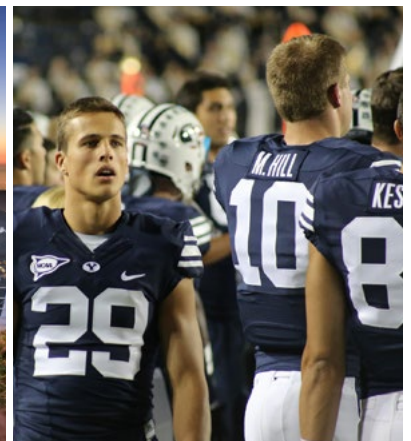

Colleges and universities in the U.S. have well-established resources for incoming students and exceptional programs for international students. Tutoring services, academic advising, financial services, and housing services are all offered free of charge.

RESEARCH FOCUS

U.S. institutions are known for their impressive research facilities, and students have access to the world's best labs and research centers. Explore your academic interests in a supportive and well-equipped academic setting, and publish your research papers with the guidance of knowledgeable professors.

LONG-LASTING RELATIONSHIPS AND NETWORKING OPPORTUNITIES

The socially and research focused U.S. academic experience provides students with the opportunity to create solid, meaningful relationships that extend into their professional lives. Alumni centers and corresponding events ensure that you continue to grow your relationships long after you receive your degree.

English for Academic Purposes

PROGRAM COURSE OPTIONS

CISL Pathway students first attend classes at CISL in San Diego. Students can choose any CISL morning course and then enroll in the English for Academic Purposes (EAP) course.

Morning course options: 9am to 12:40pm

- CISL Standard Course (open for enrollment every week of the year)
- IELTS (see the CISL schedule for start dates)
- Cambridge English: C1 Advanced (CAE) or B2 First (FCE). (see the CISL schedule for start dates)

PROGRAM OVERVIEW

The 12-week EAP course offers students a comprehensive, academic-based curriculum that provides reading, writing, and research skills necessary to excel at a U.S. college or university.

The course is open to CISL students with an upper-intermediate level of English.

PROGRAM FOCUS

The EAP course is divided into completing seven specific assignments.

- Summary-response essay
- Narrative essay
- Library research and avoiding plagiarism
- Process essay
- Compare and contrast essay
- Argumentative essay
- Final Research Paper
- Students master academic writing and revision, conduct research and cite sources, which are requirements at the college level.

ADVANTAGES

The academic-focused curriculum of EAP exposes students to college-level reading, listening, note-taking, and writing. Classroom discussions are modeled after university-style discussions where students are encouraged to participate, voice their opinions based on academic research, and ask well-crafted questions.

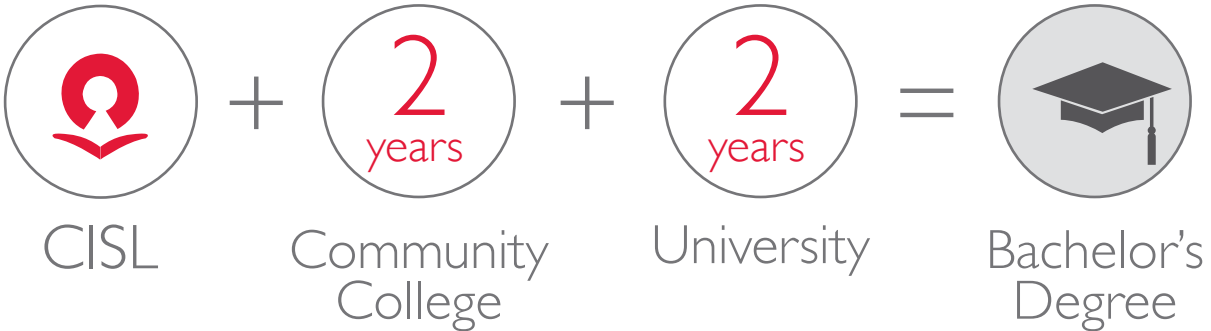

“ I love the way we learn English here. Teachers are very positive and their methods are really nice. My classes are so great! ”

JEANNE, FRANCE

Pathway Options

OPTION 1

ADDITIONAL ACADEMIC OPTIONS WITH CISL'S PATHWAY PROGRAM

	Type of School	Length of Study*	Outcome
OPTION 2	Community College	2 years (60 academic credits)	Associate of Science Associate of Arts
OPTION 3	Private College/University	4 years	Bachelor of Science Bachelor of Arts
OPTION 4	Post-graduate education	1 - 6 years (depending on program)	Master of Business Administration Master of Arts Master of Science PhD
OPTION 5	Technical institution	Programs vary; examples include aviation, culinary arts, and technology.	Certificates and degrees vary

*Approximations: actual length of program will depend upon student progress and courses offered.

Pathway Requirements

PATHWAY REQUIREMENTS

Pathway students must:

- Hold the equivalent of a U.S. High School diploma
- Successfully complete the CISL English for Academic Purposes program
- Provide proof of financial support
- Complete all necessary applications and documents for each college

PATHWAY FEES

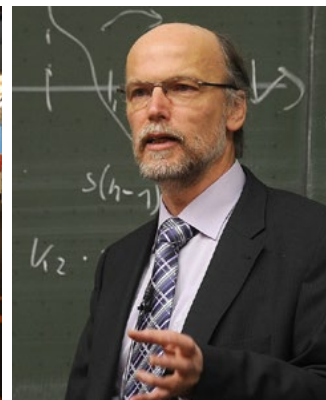

The \$750 non-refundable Pathway fee includes:

- Guidance from the Pathway Coordinator
- Access to CISL Pathway Partners
- Assistance with the application to a Pathway partner of the student's choice

A separate fee is applied for additional applications.

“My dream is to read classic American literature without having to use a dictionary all the time. I feel I will be successful.”

Alliant International University

"The world is waiting for you"

Alliant International University is a private institution with a focus on international relations, business, education, psychology and law. Alliant's small classes place emphasis on service, leadership, professional practice, and the application of business in international and multicultural settings. Alliant promotes international education (it boasts alumni from over 100 countries!) and believes in a combination of academics and real-world training experience: the school therefore offers many internship, volunteer, and career opportunities for the motivated student with dreams of professional success.

SCHOOL HIGHLIGHTS:

- Small class sizes
- Strong international student and faculty population: teachers from over 75 countries
- Opportunities for global networking
- A sense of purpose: Alliant programs involve students in the community (students serve over 1 million hours of community service and work experience each year)
- Curriculum based on real-life experiences train students while still in school
- Opportunities to intern and volunteer with numerous businesses and organizations
- Flexibility: mid-semester enrollment for some programs
- Excellent academic advising services
- Bachelor's, master's and PhD programs
- Extensive scholarship opportunities
- 15-month TESOL program

POPULAR PROGRAMS INCLUDE:

- Bachelor of Business Administration, Psychology, Criminal Justice and Child Development
- Master of Business Administration, Master of Clinical Psychology
- TESOL (Master's and Doctorate)
- Master of Science in Data Analytics

San Diego, CA campus

Locations:

San Diego, San Francisco, Los Angeles, Irvine, and Fresno (international campuses in Mexico City and Tokyo)

Student Population:

3,800

American Aviation Academy

"World-class EASA and FAA certified flight training"

Learn to fly in sunny San Diego! AAA provides the training necessary for a career in aviation and offers training for both FAA (Federal Aviation Administration) and EASA (European Aviation Safety Agency) licenses. The diverse student population includes many students from abroad and provides a unique learning environment, while San Diego's beautiful climate provides more than 300 flying days per year.

SCHOOL HIGHLIGHTS:

- Multiple programs and licenses to meet individual student career goals and needs
- One of the few schools in the U.S. certified to teach students for the EASA (European) programs
- Diverse international student environment
- Campus easily accessed by trolley or the AAA shuttle, which runs daily
- Staff, faculty, and curriculum catered to English learners
- Excellent services for international students
- Cost effective, efficient training: 200-300 hour flight programs approximately 8-14 months in length
- San Diego climate provides more sunny days for flying practice than other locations in the U.S., which equates to quicker fulfillments of flight hours

POPULAR PROGRAMS INCLUDE:

- FAA I41 and EASA private pilots license
- FAA commercial pilot career path program
- EASA commercial pilot career path program
- FAA Helicopter Courses

San Diego, CA

Locations:

San Diego, California

Student Population:

Between 180 to 250 enrollments yearly

On-campus housing?

Housing is provided off campus with a shuttle to class every two hours

Aviation Institute of Maintenance

"Training Tomorrow's Technicians"

The Aviation Institute of Maintenance (AIM) provides a quality education in one of the world's fastest growing and in demand industries: aviation maintenance technology and avionics. AIM is the largest trainer of FAA-certified aviation engineers and mechanics in the world. Graduates of AIM may work with the major airlines, commuter or corporate aviation or in manufacturing. AIM graduates who decide to return to their home countries return with an FAA-certification from the United States, which provides an extremely competitive advantage over maintenance technicians who do not hold this certification. AIM is accredited by the Accrediting Commission of Career Schools and Colleges and also approved by the US Department of Education. If you're looking for a high-flying career in aviation maintenance, here's where it begins!

SCHOOL HIGHLIGHTS:

- Open enrollment: classes start at 10 different times throughout the year
- 11 campuses throughout the U.S. to choose from
- 22-month programs for students who are motivated to graduate quickly and begin work
- Career services are available to help students and graduates as they explore their career paths and make contact with potential employers

POPULAR PROGRAMS INCLUDE:

- Aviation Maintenance Technician (AMT)
- NEW in 2017: Unmanned Aircraft Systems
- Aviation Maintenance Technician Engineer (AMTE)
- Aviation Maintenance Technician Helicopter (AMTH)
- Avionics Technician
- Aircraft Dispatcher
- Combination Welding

California College of the Arts

"Make Art That Matters"

Founded in 1907, California College of the Arts (CCA) is an esteemed and artistically-driven private college with 21 undergraduate and 13 graduate majors in the areas of fine arts, architecture, design, and writing. It is one of the premier fine arts and design institutions in the United States and is also regarded as one of the leading art and design institutions in the world. Student involvement in the college is key; therefore, both of CCA's campuses (San Francisco and Oakland) host lectures, artist talks, and other special events nearly every day of the academic term. Through the International Exchange Program, students may spend a semester at one of more than 30 colleges of art and design around the globe.

SCHOOL HIGHLIGHTS:

- Two beautiful campuses: one in SF's Potrero Hill neighborhood and the other in charming Downtown Oakland
- A small student population (an average is 13 students per class and an 8:1 student/faculty ratio)
- Highly focused classes ensure skilled graduates are ready for the workforce
- Over 600 internships offered to students each year
- Voted "Best Value School" in 2016 by PayScale

POPULAR PROGRAMS INCLUDE:

- Animation
- Architecture
- Fine Arts
- Graphic Design
- Illustration
- Industrial Design
- Business Administration
- Painting/Drawing
- Writing

Yes

College of San Mateo

“Go Bulldogs!”

College of San Mateo is located at the northern corridor of Silicon Valley and situated on a beautiful 153-acre site in the San Mateo hills that provides a panoramic view of San Francisco Bay. Since 1922, CSM has been a gateway to higher education leading to university transfer, career preparation and advancement, and professional and personal development.

Students can experience a vibrant campus life to complement classroom learning that includes leadership development, student government, more than 30 student clubs and educational and cultural activities. CSM is proud of its championship intercollegiate athletic teams which compete at the highest community college level. Many student-athletes receive scholarships and continue at four-year institutions and numerous CSM athletes have gone on to professional careers.

SCHOOL HIGHLIGHTS:

- 2019 Aspen Prize from the Aspen Institute for Community College Excellence
- KCSM-FM 91 radio, located on CSM's campus and licensed to the San Mateo County Community College District made its broadcast debut in 1964. The station broadcasts 24 hours a day and has a growing audience that currently totals more than 200,000 on air and 4,000 on the web.
- CSM offers transfer admission guarantees with seven of the nine UC campuses, nearly all the CSU campuses and many private colleges in California.
- Supports over 500 international students from more than 50 countries

Embry-Riddle Aeronautical University

"Decide where and how you'll change the world"

As the world's largest and most respected university specializing in aviation and aerospace, Embry-Riddle has been at the forefront of ground-breaking aeronautical milestones since the early days of flight. With over 130,000 graduates around the globe, Embry-Riddle is not only leading the future, it is changing it.

While Embry-Riddle students represent all 50 states and 148 countries, there is one trait they all share; a determination to succeed. The bonds our students develop last a lifetime. Throughout the year, our Alumni Association works to connect alumni with each other and with hundreds of employers worldwide.

SCHOOL HIGHLIGHTS:

- Embry Riddle Aeronautical University's residential campuses, located in Daytona Beach, Florida and Prescott, Arizona offer you the choice of a spectacular beach setting or an amazing mountain community.
- Number 1 Aerospace Engineering program among schools whose highest degree is a master's according to U.S. News & World Report
- 100+ instructional aircraft in the combined Daytona Beach and Prescott Fleet
- 134 Total Embry-Riddle simulators

Indiana Institute of Technology (Indiana Tech)

"Live. Learn. Lead."

Originally founded in 1930 as an engineering college, Indiana Tech has grown into an institute that offers courses towards associate's, bachelor's, master's, and law degrees. Indiana Tech also offers several fast track three-year bachelor's programs for students looking to graduate and enter the workforce as soon as possible. Indiana Tech highly values international students and prides itself in providing students with a warm, welcoming campus. In addition to providing its students a positive learning environment and academic excellence, Indiana Tech strives to provide its students respect, commitment, honesty, passion, and integrity.

SCHOOL HIGHLIGHTS:

- Fast track (three-year) programs for students to graduate early
- Diverse student population with many international students
- Small classrooms with an excellent student:teacher ratio
- Intimate and safe campus setting
- Associate's, bachelor's, master's and law programs
- Excellent student services
- Numerous programs to encourage extracurricular activities

Lake Tahoe Community College

“California’s Premier Destination Community College”

Mountains, deep blue water, and sheer rugged beauty – Lake Tahoe.

At 6,229 feet above sea level, Lake Tahoe Community College, the 164-acre wooded campus set in the heart of South Lake Tahoe, is located at the highest elevation of any college in Northern California.

With 31 associate degree options plus 28 career and technical certificates to choose from, students can pursue a wide variety of interests

The University of California, the California State Universities, and other accredited colleges and universities give full credit for equivalent and transferable courses satisfactorily completed at Lake Tahoe Community College.

Outdoor recreation can be found all year in South Lake Tahoe, a town of about 21,000 residents. Students are within minutes of three ski resorts. There are a total of 14 resorts located around Lake Tahoe. Summer brings water sports, fishing, hiking, camping, and an extensive network of mountain biking trails. The sun shines an average 75 percent or 274 days each year, giving students plenty of opportunities to get out and explore the Sierra Nevada mountains.

SCHOOL HIGHLIGHTS:

- 192-seat black box theater
- 26,000 square-foot gymnasium
- Commercial-grade kitchen for the culinary arts program
- 27,000 square-foot library and adjoining art gallery

POPULAR PROGRAMS INCLUDE:

- Healthcare
- Business Administration
- Commercial Music
- Criminal Justice

Lincoln University

"Innovative and Multicultural Education"

Since 1919, Lincoln University has celebrated multiculturalism through its programs and diverse student population. Its curriculum focuses on real-world problems and solutions in order to prepare its students for their future careers in finance and business.

SCHOOL HIGHLIGHTS:

- Business-focused curriculum
- Diverse student population
- Many international students
- Dedicated student services
- Bachelor's, master's and PhD programs

POPULAR PROGRAMS INCLUDE:

- Business Administration
- International Business
- Finance (including master's and doctorate programs)

Oakland, CA campus

Locations:

Oakland, California

Student Population:

500

For a full list of programs, visit:

www.lincolnuca.edu/academics

On-campus housing?

Yes, in Alameda (a 10-minute bus ride from campus). Housing begins at just \$535 per month and includes full furnished dorms, utilizes, high-speed internet, and renter's insurance. See Lincoln University's website for more details.

MiraCosta College

"College smarter, life happier."

Unlike most universities where you may be in a class with hundreds of students, the average class size at MiraCosta College is 30-45 students. Teachers are very helpful and know students in their classes by name.

MiraCosta College offers group and one-to-one academic tutors to help students with their class assignments, including specific centers for writing and math support.

MiraCosta College's transfer programs will get you into the best university for your major. Our international students are accepted for transfer to top universities such as San Diego State University, UCLA, UC Berkeley, New York University, and more.

SCHOOL HIGHLIGHTS:

- Located in North San Diego County, the Oceanside and San Elijo campuses are within easy driving distance of many Southern California points of interest, including the San Diego Zoo, Legoland, Disneyland, Los Angeles, and our beautiful California beaches.
- Our Oceanside campus features a library/information center; wellness center; a beautiful theater and state-of-the-art concert hall. A large student center houses an art gallery, bookstore, cafeteria, and dining room with indoor and outdoor seating.
- The San Elijo campus is a smaller campus. The facilities include a library and technology center; a multi-purpose outdoor amphitheater; and a student center with a bookstore and cafeteria.

POPULAR PROGRAMS INCLUDE:

- Accounting
- Art
- Business administration
- Commercial Music
- Law Enforcement

New York Film Academy

“The most hands-on intensive programs in the world.”

Reach your dreams of working in the movie industry—either in front of or behind the camera—at New York Film Academy, a private college located in New York, Miami, and Los Angeles. Through associate’s, bachelor’s, and master’s degrees in (among many others) Film Directing, Film Production, Acting, Game, Design, and Animation, students learn first-hand the details of the film industry. The school also offers a Digital Journalism degree, which stemmed from a partnership with NBC in 2007. NYFA’s partnerships with large corporations such as Rolling Stone Magazine, NASA, and Sony Animation provide students with once-in-a-lifetime opportunities to work with some of the largest (and most esteemed) corporations and organizations in the U.S.

SCHOOL HIGHLIGHTS:

- Guest lectures from industry experts such as Steven Spielberg, Kevin Spacey, Al Pacino, Ron Howard, and Glenn Close
- An impressive list of visiting and permanent faculty members, including professional actors, filmmakers, screenwriters, and performers
- Real-world experience in your future field
- Unique artistic community and diverse student population with students from over 75 countries

POPULAR PROGRAMS INCLUDE:

- Filmmaking
- Acting for film
- Musical theatre
- Producing
- Screenwriting
- Cinematography
- Documentary filmmaking
- Photography

Peralta Community College District College of Alameda

"Your Success Begins Here"

The College of Alameda is one of four colleges in the Peralta Community College District. The 62-acre campus is situated in charming Alameda, a city located on an island across from Oakland in the San Francisco Bay that is known for its historic buildings, Victorian-style homes, and several prominent California wineries. The campus, which is easily accessed using public transportation, was designed around a courtyard to encourage student, staff, and faculty interaction. The College of Alameda offers transfer agreement guarantees to numerous CSU and UC campuses.

SCHOOL HIGHLIGHTS:

- Warm and welcoming campus
- High transfer rate to CSUs and UCs (click here for transfer agreement information)
- Opportunity to study at Peralta's three other campuses (Laney College, Merritt College, and Berkeley City College)
- Numerous "Degree with a Guarantee" programs to ensure acceptance to a CSU
- Excellent access to many Bay Area cities equals many housing options for students
- Active and supportive Office of International Education to assist students from abroad

San Mateo Community College District Cañada College

"From here, you can go anywhere!"

For 50 years, Cañada College has provided enriching and life-changing educational opportunities for the residents of San Mateo County. With the support and guidance from award-winning faculty and staff, residents can pursue certificates and degrees for career training or to serve as a transfer gateway to four-year colleges and universities.

Located in the heart of the Silicon Valley, Cañada College offers hundreds of day, evening, and weekend courses in more than 40 quality instructional programs, including sciences, business, multimedia, medical assisting, the arts, and technical training.

The College also provides extensive basic skills training and innovative student support services in counseling, orientation, certificate and degree planning, transfer assistance, and tutoring.

SCHOOL HIGHLIGHTS:

- Regional STEM (Science, Technology, Engineering and Math) center
- Partnerships with the National Aeronautics and Space Administration (NASA) and San Francisco State University
- The Cañada College library is part of the county-wide Peninsula Library System which connects the college library with dozens of other local libraries.
- Soccer, baseball fields and tennis courts

Seattle Central College

"Central to the Community for 50 Years"

Seattle Central College is a community college that offers students two bachelor's degrees and 32 associate's degrees in over 28 fields of study. The college is located in the exciting neighborhood of Capitol Hill in Seattle and is the only community college located downtown and within walking or easy transit distances from shops and urban life. With over 2,000 international students from 80+ countries, the college has the sixth largest international student program in the nation.

SCHOOL HIGHLIGHTS:

- Named "College of the Year" by TIME Magazine
- Centrally located: SCC is the only campus located in the urban areas of Seattle
- Incredibly high transfer rates to esteemed four-year universities
- Thriving international student population
- Two bachelor's degrees offered (this is uncommon for community colleges)
- Impressive scholarship and aid opportunities: nearly \$20 million in awards and loans given in 2014
- Over 60 student clubs and organizations to promote involvement with the campus
- Direct Transfer Agreement ensures that all of your credits will transfer to many four-year universities, including Arizona State University, SF State University, CSU Northridge, Washington State University and Seattle University.
- DTA also gives students priority in the admissions process for four-year universities in Washington

POPULAR PROGRAMS INCLUDE:

- Associate of Arts (for transfer to a university)
- Nursing
- Culinary Arts
- Social and Human Services
