WHAT TO EXPECT
ON YOUR LANGUAGE JOURNEY

Preparing for a Spanish program abroad can be daunting. Here we have created a list of everything you need to know about studying at don Quijote.

YOUR FIRST DAY

Your first day starts at 8.00 am on Monday morning where you will be greeted at our schools. You will start your day with an oral test (written assessment test is online, which you will receive 1 week before your arrival) in order for us to place you in the correct language level and class. You will afterwards be introduced to your teacher and classmates before being greeted by the School Director during the campus and neighborhood tour. You will also receive our don Quijote Student Welcome Pack.

YOUR LANGUAGE LEVEL

Your Spanish proficiency is determined by taking the specially designed online test and is scored on a scale of six levels from Complete Beginner (A1) to Proficient (C2). The levels of our courses are developed according to the Instituto Cervantes curriculum (PCIC) which follows the Common European Framework of Reference for Languages (CEFR).

YOUR SCHEDULE

To ensure the effectiveness of our programs, don Quijote follows a general schedule of morning and afternoon classes. However, as part of our commitment to flexibility, we are happy to work with each student to meet their specific needs. Your timetable is structured based on the program you have chosen.

HOW WILL YOU LEARN

Our learning methodology combines classroom lessons with special interest/cultural classes, workshops, lectures and outside the classroom classes. All our programs are designed to help you learn Spanish in a fun and enjoyable way.

1

INTENSIVE SPANISH CLASSES

These regular classes are divided by levels and focused on improving vocabulary, grammar, reading, writing, listening, speaking, and pronunciation skills.

2

EXTRA DAILY WORKSHOPS

On a weekly basis, we offer additional Spanish culture and conversation workshops. These classes cover culture and current events where you will be able to gain a deeper knowledge of Spanish and focused on developing conversation and communication skills through the debate of subjects you are interested in.

3

OUTSIDE THE CLASSROOM

Learning Spanish is not just about attending classes, it is a true linguistic and cultural experience. Therefore, through different activities we encourage all our students to practice their Spanish outside the classroom while many times forging friendships that last a lifetime.

YOUR SPANISH PROFICIENCY

We guarantee continuity within all levels so that you can have a seamless learning experience with no interruptions. Every level is offered in all schools on a weekly basis which allows you full flexibility to combine destinations. After completing the program, we hand all students an attendance and certificate of achievement documenting their program, hours completed, and current level of proficiency achieved.

BARCELONA

"I have been teaching Spanish as a foreign language to international students for the past 30 years. I am also the academic coordinator of the don Quijote Barcelona School. What I enjoy most of my work is being able to bring the Spanish language and culture closer to the world. Our main goal at don Quijote is to make your stay with us an unforgettable one, both on a personal and professional level."

DEMETRIO SÁNCHEZ | BACHELOR AND MASTER'S DEGREE IN HISPANIC STUDIES
ACADEMIC COORDINATOR

SALAMANCA

"I am passionate about teaching at don Quijote because its small class size allows me to build such great relationships with the students that they end up becoming part of my family, or friends, or simply Facebook friends... But the best and most important aspect of the school is that we all learn from each other."

ISABEL BUESO | BACHELOR AND MASTER'S DEGREE IN HISPANIC STUDIES
ACADEMIC DIRECTOR AND COORDINATOR

VALENCIA

"Every time I enter our school and mingle with our international students I feel like I have travelled to many places. I am passionate about sharing my language and culture and learning about theirs. Working at don Quijote has provided me the opportunity to merge two passions, travelling and language."

MANUEL ROSALES | BACHELOR OF HISPANIC STUDIES
ACADEMIC COORDINATIOR

TENERIFE

"I love working with don Quijote because by being at the school and planning my courses, I am able to establish a very personal relationship with my students. They are not numbers. I have the opportunity to get to know the students and build a curriculum based on what they already know, their needs and their interests. Small class sizes also allow us to create and customize our learning path day to day."

SALOMÉ TORRES | BACHELOR AND MASTER'S DEGREE IN HISPANIC STUDIES
ACADEMIC COORDINATOR

MADRID

"I have been teaching Spanish as a Foreign Language for more than 20 years, as a specialist in Spanish literature. I enjoy coordinating and teaching different personalized Spanish programs focusing on topics such as arts, literature, culture and Spanish civilization."

PEDRO SÁNCHEZ | PHD. SPANISH LITERATURE
ACADEMIC COORDINATOR

PLAYA DEL CARMEN

"Working at don Quijote is a great experience. I discover something new daily through the interaction with my students. I feel like I travel to many places every day. The student's learning and wellbeing is without a doubt the main focus of our school."

OUR STUDENTS SAY
“¡HOLA! ¿QUÉ TAL?”

1 MY FOURTH TIME!

“This is the fourth time I’ve been with don Quijote. I decided to come back because the classes are interesting and useful for learning the language. Teachers are friendly and anxious to help the students. I definitely recommend don Quijote.“
ROBERTA TURCI | ITALY

2 TOP DESTINATIONS

“The service at don Quijote was great! Before I went to Spain they contacted me and sent me all the information I needed. I was very nervous when I first arrived in Barcelona, because I was alone and it was the first time I was going to live abroad without being close to my friends or family. But there was someone from don Quijote waiting to meet me at the station and take me to my new home. At the school I got all the help I needed from the teachers and the other students. I’m really grateful to all of them.”
MAIKO YAMADA | JAPAN

3 OPEN AND LIVELY ENVIRONMENT!

“My stay at don Quijote was brilliant, and not only because of how much the Spanish language impressed me with its fascinating energy. I worked in a German company in the morning and went to class in the afternoon. I'm very happy to have chosen this school with its open and lively environment where I felt really at home. I was very pleased both with the program and with the method of teaching. Thank you for your professional help.“
OLAF JANDA | GERMANY

4 STUDENTS FROM ALL OVER THE WORLD!

“My experience at don Quijote was one of the most challenging and enjoyable I have ever had. The classes were intensive and interesting. There were students from all over the world from ages 5-83! This gave me the chance to experience different cultures.”
MOTTI MERT LEVI | ISRAEL

5 EXCELLENT TEACHERS!

"don Quijote's main strength is undoubtedly the teachers, who are all experts at maximizing time in class and are tuned into each student's needs. Many thanks!"
WILLIAM GALLOWAY | UK

6 HOMESTAY: SPANISH TO THE MAXIMUM!

"A friend of mine, who has been a regular student of don Quijote for a couple of years already, informed me about the language school two years ago and I am very happy she did. I decided to stay with a Spanish family, giving me the opportunity to be in a typical Spanish environment all the time."
FRANÇOISE EPELBOIN | FRANCE

7 FEELING SAFE

"The true soul of Spanish is not in the classroom but on the streets and in the cafes and bars. don Quijote served as a touchstone, giving me the language practice and cultural background and confidence necessary to go back 'en la calle' and experience the real Spain. I hope to repeat the experience in the future."
JOHN MATTHEWS | USA

8 A VALUABLE AND MEMORABLE EXPERIENCE!

"I completed the don Quijote program Spanish Language + Internship and I had the most delightful and fulfilling experience of my life. I spent 6 fantastic weeks improving and polishing my Spanish in the unique international atmosphere of the school where teachers were brilliant and I felt at home and made a lot of friends.
I also spent 12 remarkable weeks working for a Spanish company in Barcelona which was carefully selected by the school and suited to my skills and eagerness to apply my professional experience to a challenging new environment. I had a truly memorable experience."

PER WEEK

ANY MONDAY | ALL YEAR-ROUND
ALL LEVELS | SMALL GROUPS OF
4-8 STUDENTS PER CLASS

Intensive courses are perfect for students of all ages who wish to learn as quickly and efficiently as possible through constant interaction and practice. Students will learn how to use grammar in context through a wide range of activities including: reading, discussions, conversations, viewing documentaries, listening to songs, watching films, etc.

Our intensive Spanish Programs merge language and culture in small groups of 4 to 8 students per class. We believe that the best way to learn a language is by living it through its traditions, culture, business, music, art, architecture and most importantly its people. The +5 classes are extra daily workshops covering culture and current events, where you will be able to gain a deeper knowledge of Spanish. Each class will take you one step closer to your ultimate goal: communicating with confidence in Spanish. STUDENT ACCOMMODATION
DEEPEN YOUR STUDY ABROAD EXPERIENCE

Comfortable accommodation is an essential part of your study abroad experience. We understand the importance of having quality accommodation while you study abroad. We understand that something as simple as a broken shower can ruin an otherwise perfect day and distract you from what you are here to do – learn Spanish. We're here to make you feel cozy, secure and right at home.

ARRIVAL TIME
Arrival time for all accommodation options is after 12:00 noon on the Sunday before the course starts. Accommodation must be vacated by noon on the Saturday after your course has finished. If you arrive a day earlier, or if you want to stay a day longer, get in touch with your don Quijote office to make the necessary arrangements.

100% SATISFACTION
You may change to a different family during the first week if you are not satisfied, because the most important thing for us is that you feel at home.

TOTAL INDEPENDENCE
You will always be given your own keys so that you can come and go as you please.

PERSONAL WISHES
Are you a vegetarian, allergic to house pets or would you like to be placed in a family with young children? These and other personal preferences should be communicated as soon as possible and we will do our best to comply.

FULLY EQUIPPED
In selecting host families, we do not look for luxury and comfort in the material sense. Nevertheless, you can count on personal attention, help and advice.
You should not expect too much luxury in a student apartment/flat either, although, you will of course have all the necessary amenities.

LESS THAN 30 MINUTES
Your accommodation will be located very close to your school. We have several shared apartments and residences available in most cities which are all just a 5-15 minute walking distance from the school and are all located in the best areas in the heart of the city. Host families are located a maximum of 15 minutes walking in small cities and 30 minutes in large cities from the school, either walking or by public transportation.

SELF-CATERING SHARED STUDENT APARTMENT

BECOME PART OF AN INTERNATIONAL COMMUNITY

You will live with other international students in our fully equipped and furnished apartments. Students will have everything they need for a comfortable and productive stay. What better way is there to enjoy a language learning experience abroad than to stay in the company of other students just like you?

In shared student apartments/flats you share a apartment/flat with four or five other students. We always do our best to accommodate you in a student apartment/flat with students of different nationalities. However, the common language is typically English. We suggest that you reach an agreement with one another to speak as much Spanish as possible.

Although the student apartments/flats are not luxurious, they are equipped with all the basic facilities (a bed, table, chair and a closet). Each student apartment/flat has a living room, a television, a fully equipped kitchen, a washing machine and an iron. The kitchen and bathroom are shared and cleaning is the responsibility of everyone.

PRIVATE APARTMENT

This type of accommodation is ideal if you want to maintain your independence and enjoy a touch of 'luxury'. In every city, there are rooms of varying sizes and apartments from studios to multi-bedrooms. Apartments are fully furnished and equipped with a kitchen, bathroom, and all the necessary facilities. Internet access and Wi-Fi upon request. These apartments are located in the cities' most central and fashionable districts.

PICK-UP SERVICES
IN GOOD HANDS

From the airport, bus or train station

Traveling alone? Your first time living abroad? Would you feel more secure knowing that someone will be waiting at the airport to take you to your new home? You can reserve a 24-hour private pick-up service at an additional cost if you prefer to be picked up directly from the airport, bus, or train station. Just let us know in advance and we will be there!

HOST FAMILY

LIVE LIKE A LOCAL

Staying with a host family is a wonderful opportunity to experience Spanish in a way that will make you feel right at home.

For students who want an authentic cultural experience that will help them learn new vocabulary, pick up local expressions, and become fully immersed in the Spanish culture, staying with a host family is the best choice.

Most of our host families have worked with us since the very beginning, which says a lot about us. The families know from experience what the role of a good host is. Accommodation with a host family allows you to get the most out of your program by truly integrating yourself into local life. Experiencing real Spanish life everyday will help you quickly improve your Spanish skills. The word “family” should not be taken too literally because your family could be a single parent who takes in students because he or she enjoys the company or any other type of family. Also, keep in mind that many families live in apartments/flats rather than houses. Students will have their own keys so that they can come and go as they please. Also, phone calls can be received during your homestay.

Choose from accommodation with half board (breakfast and either lunch or dinner) or full board (breakfast, lunch, and dinner). Lunch is normally around 2 p.m. and dinner is usually served around 9 p.m. Keep in mind that eating customs and cuisine may differ greatly from your regular habits.

STUDENT RESIDENCE
RESIDENCE HALL

FEEL AT HOME IN THE WORLD

If you are looking for an inviting and well-equipped stay just a quick walk from your classroom, our student residences may be the ideal accommodation for you. The residences normally house between 8 and 150 international university students and are all just a 5-15 minute walk from the school, located in the best areas in the heart of the city.

You will enjoy all the comforts of a hotel in a relaxed, communal environment shared with other international students. At the same time, you will have all the freedom and independence they want and need. Our residences are centrally located and you can get to all of the city’s most interesting sites quickly and easily from any of our residences.

Our Spanish student residences have a youthful, international feel and offer you all you’ll need in one building: laundry facilities, TV, prepared meals or shared kitchen area, and other areas for studying and socializing. All of our student residences in Spain offer individual, shared and triple rooms, Wi-Fi, shared TV, shared living/dining rooms and washing machines. Bed linens and towels are provided.

You can choose half board (breakfast and dinner) or full board (breakfast, lunch, and dinner). Private bathroom on request at an additional cost.

IMMERSE YOURSELF AND ENJOY

At don Quijote we believe that learning a language is so much more than just grammar and memorization.

In order to master non-verbal as well as oral communication it is necessary to have a solid understanding of the culture. In order to achieve this, we offer complementary theoretical and practical courses and workshops in order to introduce students to a wide range of cultural activities and situations.

These cultural lessons may include movies, writing, specific discussions about communication topics, and other cultural activities such as singing or dancing.

We also organize weekend excursions to surrounding cities and attractions that vary by school and location. Additionally, the school organizes language exchanges called “intercambios” between students and native speakers to practice language skills outside the classroom.

WHAT I LOVE ABOUT ALICANTE

"Couldn't get enough of Alicante and this experience! The city is beautiful and has a great beach and a lot of fun things to do. The teachers were amazing and supportive the whole way through. They organized activities outside of our class schedules that really helped me understand Spain a little bit more and were just a wealth of knowledge! I loved my host family. We would sit down for a homemade lunch every day and talk politics, current events, or just about life... and then siesta. That is what made this experience so extraordinary, the people, the college, Alicante!"

WHAT I LOVE ABOUT BARCELONA

"I love the sea, and taking an early-morning jog along the Mediterranean is my favorite way to start the day. I'm also a bit of an architecture nerd, and enjoy strolling the city and discovering the different ways this city was built, thinking about the people in past centuries who walked these streets. Then there's the food and wine – just amazing!"

ABOUT **CADIZ**

In the deep South of Spain lies the Andalusian port of Cadiz, capital of the province of the same name. Cadiz is a splendid coastal city that is almost entirely surrounded by water and famous for its perfect sandy beaches. People practically live outdoors, which makes the city lively and pleasant for strolling. Cadiz is quite Moorish in appearance and is criss-crossed with narrow cobbled streets opening onto small squares. Cadiz is also known for its famously wild Carnival celebrations which are not to be missed.

Our partner school in Granada is a historic school building that has recently been renovated. The school is strategically located in the "Barrio Realejo", La Alhambra is just a short walk away. WHAT I LOVE ABOUT GRANADA

"I can tell you this was an experience I wouldn't trade for anything, and Granada is more enchanting in person than any testimonial can describe. The city is breathtaking and the culture infectious. I learned more Spanish in 12 weeks at don Quijote than I had for the past 5 years prior to studying abroad. Not only was I able to learn the language, culture, and history, I was able to live it. I found a second home where I know I can always return!"

ABOUT **SALAMANCA**

The province of Salamanca is situated in the west of Spain, bordering with Portugal. The city is large enough to be able to offer the advantages of a proper city, but at the same time it has the warmth and friendliness of a town. The Spanish that residents of Salamanca speak is often considered the "purest" form of Castilian Spanish spoken in Spain. For this reason Salamanca is enormously popular with people all over the world who want to learn its language. Contacts are made easily. You don't have to arrange to meet as you are bound to see everyone in the "Plaza Mayor", one of the finest squares in Spain and known as the living room of the "Salamantinos". While it may be tempting to keep to fellow don Quijote students, Spanish university students are everywhere and you'll encounter them everywhere you go.

WHAT I LOVE ABOUT SALAMANCA

"As a real university city, Salamanca attracts thousands of students from all over the world. You will note this university character in the appearance of Salamanca's streets and in the many pleasant cafés and restaurants. Salamanca is not just a student city, however. You will have an abundance of architecture and art to see, and plenty of opportunities to discover the surrounding countryside. Putting it all together, you have a city where both the young and the not-so-young will feel at home."

ABOUT **SEVILLE**

If you want to experience the folkloric heart of Spain - the scent of orange trees, the click-clack of flamenco shoes, women in bright polka dot dresses, and the heat of the Andalusian sun - Seville is the city for you. Spain's fourth-largest city and the capital of Andalusia, Seville still maintains the warmth and friendliness of a small town. To say that Seville possesses a rich history would be an understatement: it has seen the glory of the Roman Empire, the luxurious sophistication of the Moors, and the Christian "Reconquista", which eventually gave the city what is now the largest cathedral in the world. Experience a true cultural melting pot.

OUR **CAMPUS**

Our partner school in Seville is located in a fabulous facility: a typical Andalusian palace with 1,200 square meters generously spread over 4 floors! The school is ideally located in the "Arenal" district, close to the Cathedral and next to the "Plaza de Toros" in the heart of the old city center, surrounded by shops and restaurants. The school has 18 classrooms, a conference room, offices, a patio, communal study and relaxation areas - in addition to offering spectacular views of the "Giralda". All learning will take place with proven digital and educational materials that ensure academic success. A personalized language level assessment will be held the first day of class.

WHAT I LOVE ABOUT SEVILLE

"A piece of my heart was left behind in Seville. I fell in love with its people, history, cafés, narrow streets, shops, liveliness! I think this is the time in my life I have felt most alive. Now every time I speak Spanish I am transported back to this amazing experience."

CHILE

ABOUT **SANTIAGO DE CHILE**

Situated in the center of an expansive bowl-shaped valley against the spectacular backdrop of the mighty Andes mountain range, Santiago de Chile is a bustling and modern capital city. Nevertheless, despite being one of Latin America's main financial hubs and home to around 40% of the country's population, the ever-growing metropolis equally offers an abundance of open spaces from its tree-filled main square to its various carefully landscaped parks. Moreover, just an hour away from the renowned ski resorts of "Valle Nevado", "Colorado" and "La Parva", Santiago is the perfect stopping point for avid skiers. From one extreme to another, Chile's west coast equally offers an abundance of beautiful beaches.

OUR **CAMPUS**

Our partner school is located at the foot of San Cristobal Hill, the city's largest park. Set in the "Bellavista" district, Santiago's colorful bohemian neighborhood, the area is a magnet for students and artists. You will also be just a short walk away from the "Plaza de Armas" and Pablo Neruda's house. Since the 1980's, "Bellavista" has developed into the city's hotspot, and boasts a wide variety of bars, restaurants, nightclubs and theaters. As for the school building itself, it comprises of 7 classrooms, 2 kitchens and a beautiful garden.

WHAT WE LOVE ABOUT **SANTIAGO DE CHILE**

Like many Latin American cities, Santiago de Chile is defined by its contrasts: colonial and modern architecture, energizing street scenes and parks, designer shopping and farmer's markets, exciting nightlife and romantic restaurants. With ski slopes and beaches a short distance away and all that a world capital has to offer on a daily and nightly basis, Santiago de Chile is a stimulating and exhilarating place to study Spanish.

SAN JOSE

THE **HEART** OF COSTA RICA

Partner school

COSTA RICA

ABOUT **SAN JOSE**

The capital of Costa Rica is considered among the most cosmopolitan cities in Latin America. San José is nowadays a city where visitors of the entire world converge; it is a metropolis full of interesting places. Vibrant and packed with Victorian mansions, Costa Rica's rowdy, bustling capital was built on the profits of the coffee trade and working "golden bean" plantations still surround the city. San José has the feeling of the Costa Rica of yesteryear, its customs and traditions. It has world-class museums, parks, hotels, theaters, and historic buildings. Discover San Jose and enrich yourself culturally with a long walk through its streets and squares and understand the idiosyncrasies of its people.

OUR **CAMPUS**

Our partner school in San Jose is located in San Pedro—the university district of San Jose. The neighborhood offers a great student vibe and only a short 10-minute bus ride from downtown San Jose. The school comprises 15 classrooms, a computer lab, an open-air snack bar, and very nice indoor and outdoor large common study areas which serve as a great home base to get to know other people, plan activities and practice your language skills.

WHAT WE LOVE ABOUT **SAN JOSE**

Usually viewed as a hub, rather than a destination, newly arrived tourists barely spend a day in 'Chepe' (which is how the locals call the Costa Rican capital) with the 'Ticos' from the capital. Contrary to what you may have heard, San Jose is full of surprises and there are actually a ton of fun and exciting things to do in San Jose. Try freshly roasted local beans at Mercado Central. For shinier gold, visit the Museo del Oro. Many renovated landmarks are now house stylish hotels, nightlife is concentrated in the Spanish village-inspired 'El Pueblo'. And don't miss the elegant 1897 National Theater.

DOMINICAN REPUBLIC

ABOUT **SOSUA**

This small tourist town, home to 12,000 inhabitants, is known for its beautiful beaches and water sports facilities. Sosua's main beach, Playa Sosua, is one of the finest beaches in the Dominican Republic with one kilometer of soft, golden-yellow sand, sprinkled with coconut and Flamboyant trees. It is tucked in a cove sheltered by coral cliffs and has crystal-clear water. At one end of the beach is El Batey, an area with residential streets, gardens, restaurants, shops, and hotels. At the other end of Sosua beach lies Los Charamicos, formerly a sleepy fishing village but in recent years, has converted into a business and residential area for Dominicans who have moved there to seek work around Sosua.

OUR **CAMPUS**

Our partner school is centrally located in Sosua in the district of El Batey. The school has 6 classrooms (3 indoor and 3 outdoor on sheltered terraces/in the garden). The school building is surrounded by a colorful tropical garden that offers the ideal ambiance for concentrated learning in a relaxing surrounding. There is an open-door terrace communal area where you can meet your class mates and take a snack. What's more, the campus is just 5 minutes from the beach!

WHAT WE LOVE ABOUT **SOSUA**

Sosua lies on the north coast of the Dominican Republic. It is located between Puerto Plata and Cabarete; the International Airport of Puerto Plata, which serves the entire area, is only about a 10-minute drive away. In the El Batey area, the ambiance is typical Dominican where you will find tin-roof shacks, vegetable stands, packed little shops, and music everywhere; the typical Dominican everyday life. Don't miss to jump into the so-called 'comedores' which serve excellent fresh fish dishes.

PERU

ABOUT **CUSCO**

Cusco is the oldest city in the Western Hemisphere. Set in a mountainous region considered among the most beautiful on the planet, Cusco was once the flourishing capital of the Inca Empire. Natives and visitors alike consider it the most impressive of all Peruvian cities for both its history and its remarkable mix of Inca and Spanish colonial architecture. And we've yet to mention the breathtaking beauty of the terrain and the warmth of the local people. Cusco is an ideal base from which to explore Peru, since it's situated in the same region as the ruins of Machu Picchu and the Inca Trail. Because the city lies at a high elevation, nights can be cold and days cool.

OUR **CAMPUS**

Our partner school is just a 3-block walk from Cusco's Plaza de Armas. Located on the main commercial street of Avenida El Sol, the institute sits right in the historical center and is just across the street from Q'oricancha, the most important site in the entire Inca Empire. Housed in a comfortable, modern building with 20 classrooms and a large cafe area that encourages mingling and language practice.

WHAT WE LOVE ABOUT **CUSCO**

Cusco has everything: art, magic, mystery and all the beauty you would expect in the legendary "belly button" of the world. Framed by a brilliant blue sky ringed with mountain clouds on the six hills that surround the city, Cusco's natural setting makes the city's streets and squares, majestic Inca monuments, and elegant colonial edifices all the more breathtaking and magical. Undoubtedly your stay in Cusco will be an experience you will never forget, and one you will proudly talk about - in Spanish!

Any complaints made after departure will only be accepted as suggestions in order to improve our services.

2. COURSE ACCREDITATION

2.1 A personalized don Quijote certificate of attendance and achievement will be issued in accordance with the guidelines of the Common European Framework of Reference.

2.2 The certificate will contain the name of the course taken, course level, and number of hours completed. The name of the school in which the classes were given, dates of enrollment, and level achieved will also be included.

3. CREDIT NOTES

3.1 Credit issued due to exceptional circumstances is only valid for up to 12 months from the date of issuance. Once the 12-month period ends, the student loses all the right to the credit or refund. Credit is valid only for the geographic region for which it was issued (i.e., credit issued for Spain is not valid for programs in Latin America) and is not transferable to other students.

3.2 Credit notes cannot be converted into a refund or be used for a partner school.

3.3 Prices vary from one year to another and will be updated. Please take in mind that this will increase or decrease the issued credit amount when using your credit note.

4. ACCOMMODATION

4.1 For registrations received a week or less prior to the beginning of a course, don Quijote does not guarantee the type of accommodation desired and requested by the student; priority is given to students who register further in advance.

Students wishing to change accommodation arrangements must notify the person in charge during their first day of the program.

4.6 If there is damage and no one is directly responsible, the cost of repairs will be divided among all students in the apartment or residence.

4.7 At don Quijote, respect for others and for the rules is essential for our programs to run smoothly. Students' failure to follow the established rules will be grounds for withholding the accommodation security deposit or expelled without the right of any refund. 4.8 It is not allowed making loud noises, having parties, or music in our accommodation at any time.

4.9 Apartments and student residences may be substituted by other types of accommodation, at the same price, during the high season in exceptional cases.
