## WHO IS THIS PROGRAM FOR

The goal of this program is to give you the perfect opportunity to practice your Spanish in a relaxed environment, learning alongside other students of a similar age group and proficiency level who share your passion for discovering the Spanish culture.

## PROGRAM OVERVIEW

Your daily morning Spanish classes emphasize conversation skills but also include reading, listening, writing, and grammar. The main focus is on practical, real-world situations. In the afternoons you will continue to practice your Spanish with a variety of leisure activities. Chatting with your teachers, wandering through botanical gardens, and strolling along the beach with your classmates are some of the most enjoyable aspects of our informal, relaxed course.

## WHY TAKE A 50+ PROGRAM with don Quijote

- Learn Spanish and discover a new culture with us in our 2-week program: attend Spanish classes in the mornings, and dive into our cultural activities in the afternoons.
- All activities are organized by your school, so all you have to do is show up and have fun!
- Immerse yourself in some of the most beautiful and historic destinations in Spain and Latin America.
- Why not take the leap and finally fulfill that lifelong dream?
- Whether your goal is to learn Spanish, get to know a new culture, or simply have an adventure and shake up the old routine, our program is guaranteed to be an unforgettable cultural immersion journey.

\*Maximum 10 students in the Spanish language classes (with students of all ages). No maximum in the cultural activities (with people in your age group).

It's never too late to try something new! Here at don Quijote we believe there's an ideal cultural immersion adventure out there for everyone. That's why our Spanish for 50+ program is designed specifically with our more mature students in mind... the only requirement is that you be young at heart!
