Winter Camp Program

Overview:

Our Winter Camp program offers an exhilarating and enriching experience in Dubai for students aged 12 to 21 years old. The camp features a wide array of activities, including outdoor adventures, team-building exercises, educational workshops, and recreational sports. Striking the perfect balance between learning and fun, our Winter Camp ensures that students have a fulfilling and unforgettable time in Dubai while promoting personal development and new friendships.

Programme Highlights:

Students can choose between two different programmes: Deluxe and Discovery Programme. Both programmes offer 3 sessions of 45 minutes each per day, totalling 30 sessions over two weeks.

The main difference between the Deluxe and Discovery packages lies primarily in the number of included attraction admissions and dinners at Dubai restaurants. The Deluxe package includes 10 admissions to Dubai's top attractions and 4 dinners outside the residence. On the other hand, the Discovery package includes 7 admissions and 2 dinners outside the residence.

In addition, we are committed to providing high-quality language education to enhance students' personal and professional growth. Students' proficiency is assessed through an online language test, and based on the results, students will be placed in classes suited to their language level. All our teachers are language experts, and class sizes are kept small, with a maximum of 18 students per class, ensuring personalised attention and an optimal learning environment.

Duration:

Our winter camp program is a bi-weekly programme and students can choose to participate for a minimum of 2 weeks or a maximum of 4 weeks. For customised programmes, please refer to our year round brochure.

Camp Staff:

Our camps are staffed by experienced and certified educators, adventure enthusiasts, and counselors dedicated to creating a safe and enjoyable experience for every participant.

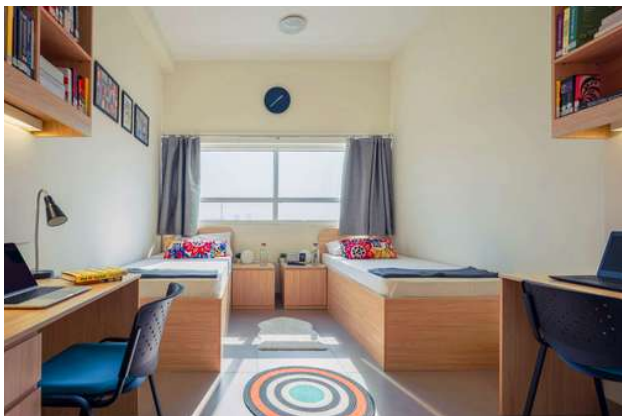

Our

CAMPUS
