Who Is Leadership and Management for?

This course is perfect for:

- Professionals aiming to transition into leadership roles.
- Managers seeking to enhance their management style and skills.
- Aspiring leaders who want to learn how to inspire and guide teams.
- Individuals looking to gain a recognised qualification to boost their career prospects.

How You'll Learn

Leadership and Management combines traditional lecture-style teaching with practical experiences, including guest speaker sessions and site visits to local businesses. All lessons are conducted at EC, ensuring a high-quality learning environment.

Assessment

Students are assessed through an assignment comprising 100% of the final grade. You must achieve at least 50% of the total marks to pass the module.

Leadership and Management Outcomes

Upon completion of our Leadership and Management course, you will be able to:

- Identify and apply the best leadership and management approaches for different scenarios.
- Monitor your strengths and weaknesses to improve performance.
- Communicate effectively with diverse stakeholders.
- Lead by example and foster collaboration within your organisation.
- Use leadership styles strategically to meet organisational goals.

What are Certificate Courses?

Certificate courses are short, intensive programmes that provide targeted expertise in a specific field. They offer you a quick, accessible pathway to professional development, making them ideal if you want to improve your skills or qualifications quickly. Accredited and globally recognised, these courses often include transferable credits that can count towards further education or career advancement.

What is the Malta Qualifications Framework (MQF)?

The Malta Qualifications Framework (MQF) is an internationally recognised system that aligns Maltese qualifications with global standards. As part of the European Qualifications Framework (EQF) and other international frameworks, MQF ensures that awards earned in Malta are transparent, comparable and transferable
