Who Is the Business Course For?

This course is perfect for:

- Students looking to develop a strong foundation in business concepts.
- Professionals transitioning into the business sector.
- Individuals exploring career opportunities in business.
- Anyone eager to gain recognised qualifications and practical knowledge.

How You'll Learn

Introduction to the Business Course combines traditional lecture-style teaching with practical experiences, such as guest speaker sessions and site visits to local businesses. All lessons take place at EC School, providing you with a high-quality and engaging learning environment.

Assessment

Students are assessed through an assignment comprising 100% of the final grade. You must achieve at least 50% of the total marks to pass the module.

Introduction to the Business Course Outcomes

Upon completion of our course, you will be able to:

- Gain a solid understanding of business fundamentals.
- Improve your professional communication and collaboration skills.
- Apply critical thinking and problem-solving techniques to business challenges.
- Build a strong foundation for further studies or a business career.
- Earn an MQF Level 5 certificate with globally transferable credits.

What are Certificate Courses?

Certificate courses are short, intensive programmes that provide targeted expertise in a specific field. They offer you a quick, accessible pathway to professional development, making them ideal if you want to improve your skills or qualifications quickly. Accredited and globally recognised, these courses often include transferable credits that can count towards further education or career advancement.

What is the Malta Qualifications Framework (MQF)?

The Malta Qualifications Framework (MQF) is an internationally recognised system that aligns Maltese qualifications with global standards. As part of the European Qualifications Framework (EQF) and other international frameworks, MQF ensures that awards earned in Malta are transparent, comparable and transferable worldwide.

An MQF Level 5 qualification, like Introduction to the Business World is recognised outside Malta for international students. It signifies a high level of knowledge, skills and competencies applicable to academic and professional settings in
