At Enforex you will find a unique learning environment and methodology where you are at the center of our educational model. Our innovative teaching methodology guarantees a rapid and successful progress through a personalized and student-centered learning system.

PERSONALIZED LEARNING

PROFESSORS THAT MAKE A DIFFERENCE

Our teachers have an average of 15 to 20 years of work experience teaching Spanish to non-native speakers of all levels of fluency. In addition to their experience, we carefully select our professors for their dedication and enthusiasm, visible in how they manage their interactive and conversation-based classes.

PERSONALIZE YOUR STUDIES

At Enforex, you will be able to personalize your course to suit your own needs and interests. Our flexible-length programs start every Monday and can be personalized by building your own perfect course while choosing when, where and how to study.

Add private classes or exam preparation courses to your Intensive Spanish Program and make the most out of your stay with us.

SMALL GROUP CLASSES

Our class size is limited to average 6 students per class, maximum 10 (12 in high season) to make sure that you receive personalized attention from your teachers. Progress quickly while participating in class, practicing your Spanish and interacting with your classmates.

LINGUISTIC MENTORING

Learning Spanish is about practicing Spanish! With as many people as you meet, daily. We offer a language exchange program where local students studying your native language meet up with you on a regular basis. In addition to making friends and learning the local culture and customs, you will rapidly learn vocabulary, gain confidence and speak more fluently.

MULTI-CULTURAL CLASSES

Learning Spanish with students from over 80 nationalities enriches classroom conversations and discussions greatly. You will continuously be debating current issues and everyday events which provides for a lively classroom atmosphere.

ALL AGES

We offer language programs for students of all ages. Our 8 International Summer Camps provide a great experience to learn Spanish for kids and teens.

Our 32 campuses in Spain and Latin America provide a great language experience for teens, adults, professionals and executives. In our Programs Section you will find specialized programs per age groups, such as our Intensive Spanish Programs, Gap Year, Junior Program, Spanish for 50+,...

THE ENFOREX WAY

For the past 36 years, Enforex has developed its own teaching methodology which has proven to be very successful. Our teaching approach is designed to build each student's confidence and fluency in speaking Spanish naturally while emphasizing the study of the four key learning skills: Listening Comprehension, Reading Comprehension, Written Expression and Interaction, Oral Expression and Interaction.

The 'Nueva Prisma' Educational System is a breakthrough in the advancement of Spanish learning technology and it enhances students' communication and language skills rapidly.

We believe that our students learn in different ways, therefore our teaching and learning methodology incorporates a wide range of activities and teaching methodologies that are designed to create an enjoyable, motivating and stimulating learning atmosphere.

Isabel Bueso

Academic and Institutional Relations Director

"I am very excited to be part of the dynamic and international project that is the IDEAL group (IEG campuses in Spain and Latin America). Contributing, together with everybody, to the continuous improvement and development of the academic and extra-academic services we offer, and to the international diffusion of the quality of our activity."

"What I value the most from my experience at the school in Alicante was being able to put my Spanish into practice as soon as I stepped out of the classroom in bars and cafes around the city. Alicante is also a comfortable and small city; it's easy to get around, there's a great young vibe, and best of all, there's sun and the beach right around the corner from the school!"

CADIZ

Founded by the Phoenicians over 3,000 years ago, Cadiz is considered to be the oldest existing city in the western world. Due to its prime location on a peninsula-island, Cadiz has long been one of Spain's premier ports. While its famously wild Carnival celebrations have certainly put Cadiz on the map, this city's biggest draw is its laid-back, easy-going atmosphere. Great beaches, sweeping views of the sea and long, palm-lined promenades complement the town's lively bars, fantastic museums, bustling commercial activity, and jaw-dropping Cathedrals typical of any prized European city. Cadiz is in a league all of its own… it's no wonder tourists and residents alike find it so hard to leave!

GRANADA

You will fall in love with Granada right away. It has an undeniable energy complete with beautiful Moorish castles, Christian cathedrals, unique homes built inside caves and hidden cobblestone streets at the foothills of the snowcapped Sierra Nevada. Francisco de Ia Caza, a Mexican poet, famously captured our sentiment in his quote: "Give him alms, woman, for there is nothing worse in life than to be blind in Granada." Besides its history, architecture and beauty, what truly makes Granada an ideal destination to study Spanish is the local Andalusian people, who are laid-back, friendly, warm, welcoming and always up for party. Sierra Nevada is a great ski resort and the beach is less than one hour away. Our recommendations? Go out, get lost and explore this magic city!

MALAGA

Malaga is Spain at its best: sunny, lively and fun. You'll wake up to clear blue skies, the golden sun and the refreshing scent of green palm tree leaves and the Mediterranean's salty air. It is a city where you can explore ancient ruins and go out for an avant-garde meal all in the same day. It has been reinvented in recent years without losing any of its history or old-world charm. From clapping your hands and swishing your skirts (or stomping your feet) along with the jaw dropping flamenco you'll see; to savoring a cup of gazpacho so bursting with flavor you wouldn't believe it's made from so few ingredients; to exploring the incredible Spanish art at the museums that fill the city; to getting your hands dirty on a hike into the beautiful surrounding hills... Malaga is a place that will exhilarate you as you learn Spanish.

"I was lucky to have been able to learn Spanish in one of the school's outside classrooms since the weather and the beaches were great. The best part of learning Spanish in Malaga is being able to interact with so many Spanish people from there. The people there are very open and friendly! It was a dream: a beautiful old city and beach."

SALAMANCA

Salamanca's sandstone buildings glow golden throughout the day, reminding us that underneath its lively college atmosphere it has a remarkable history that dates back to the third century. As a relatively small city, Salamanca is conveniently walkable, full of impressive sites and alive at all hours of the night thanks to Spain's oldest university and its Spanish and international population. And great news for Spanish learners-most people consider the dialect spoken here to be the purest form of Castilian! Located just two hours from the capital city of Madrid and just under three hours from Toledo (another UNESCO World Heritage Site) Salamanca is the perfect city to explore nearby landmarks and surrounding villages, mountains and lakes.

ABOUT ENFOREX INTERNATIONAL SUMMER CAMPS

PROVEN EXPERIENCE

In fact, many of our teachers, counselors, and camp leaders are former Enforex campers.

LIVE WITH 60% OF SPANISH STUDENTS A TRUE MULTICULTURAL ENVIRONMENT

Our campers come from more than 80 countries, which creates a uniquely diverse environment for developing linguistic and interpersonal skills. By bringing together students from all over the world, these courses allow international youths to make Spanish friends their age, acquire a profound understanding of the Spanish way of life and increase their awareness of a variety of world cultures.

QUALITY SERVICE

Our advisors are happy to recommend the best summer camps according to campers' interests, goals, motivations, needs, age and time restraints. In addition to courses and activities, we offer services such as airport shuttle service, accommodation options and meal plans. Our advisors are standing by to help to create your perfect itinerary and an unforgettable summer experience!

SUPERVISION AND 24/7 CAMPER CARE

Our top priority is the campers' safety and well-being. Our staff oversees that each camper has a balanced diet or one adapted to their needs, that they are getting enough sleep and are in good overall health.

CHOOSE FROM A VARIETY OF ACTIVITIES, SPORTS AND EXCURSIONS

Camp activities done in multicultural groups instill the values of teamwork and individual responsibility while participants enjoy and create friendships. We also know that learning takes place both inside and outside the classroom, which is why our camps include excursions to immerse the campers in the Spanish way of life and let them experience Spain like a local.

HAVE FUN LEARNING SPANISH

It has been proven that game-based learning enhances the student's internalization of knowledge dramatically and they get more involved in their learning. That's why our teaching methodology is gamification and competency based. This gaming technique really motivates students to develop a greater engagement and boost self improvement. Thus, they will level up as they collect points, get rewards for their scores and face different challenges in their missions.

LANGUAGE CLASSES

SPANISH OR ENGLISH CLASSES

Enforex has developed its own teaching methodology which has proved to be very successful. Our teaching approach is designed to build each student's confidence and fluency in speaking Spanish naturally and spontaneously.
This methodology is inspired by the competency based learning with which they will develop linguistic skills in an immersion environment. The student will improve their strengths in areas such as critical thinking, creativity and teamwork. Moreover, we offer a fun and emotional environment that incentives learning regardless of the students' age.

INNOVATIVE AND PERSONALIZED TEACHING METHODOLOGY

Our proven teaching method is based on developing the competencies that the students need to achieve success in the future. The learning system is really significant since they will build knowledge and acquire new skills as they create real-life projects with a 100% active participation method.
We focus on comprehensive development encouraging leadership, teamwork, communication skills, and emotional intelligence so that the students become the center of their own learning experience. Also, we organize and adapt our lessons according to their level and previous knowledge. This blend of knowledge, skills, and aptitudes are key as the student will need to develop them throughout their working and personal lives. The students will be learning the language as they enjoy every minute of it.

EXCEPTIONAL TEACHERS

We know the difference a great teacher makes in language learning. All of our teachers hold specialist teaching qualifications and have an average of eight to ten years of teaching experience. Their enthusiasm, creativity and dedication to students' success is what makes Enforex teachers stand out.

EARN A LANGUAGE CERTIFICATE

Each student will receive a certificate and detailed evaluation on their last day of camp.

CHOOSE YOUR PROGRAM

RESIDENCE CAMP

The residential stay embodies the essence of our summer language camp philosophy: by living and being mixed with 60% Spanish and international students, studying, playing and practicing languages together 24 hours a day in a totally multicultural environment, campers will learn interpersonal and linguistic skills to last a lifetime. When they choose our 'star' program, Spanish and international campers are only separated during the morning language classes.

DAY CAMP

This option is perfect for campers who live nearby or are traveling in Spain with their families. Students will be able to enjoy fun activities, language classes and new international friends during the day and return to their families in the evening. Students still reap the same great benefits as overnight campers when they are at camp.

HOMESTAY PROGRAM

Students 14 years of age and up can choose to become part of a Spanish family with our homestay program. This is a great option for students who are interested in a truly authentic Spanish experience. All of our enthusiastic families are carefully selected in order to ensure that they share the same core values as we do and are friendly, welcoming and passionate about helping our students learn and grow from their Enforex summer.

DOMINICAN REPUBLIC

The Dominican Republic is a gorgeous Caribbean nation characterized by pristine beaches and friendly faces. Known as much for its colonial architecture as for its world-class baseball players, some of the best coffee in the world comes from the Dominican Republic and, like a good cup of java, it's heady and smooth and at the same time energizing and exciting. The country makes up two-thirds of the island of Hispañola and is located about 600 miles southeast of Florida. A natural gateway to the Americas between the Panama Canal and Central and South America, this landmass was first discovered by Columbus on Christmas Day, 1492. A perfect setting to learn Spanish!

USEFUL INFORMATION

VISAS FOR SPAIN

- Citizens of countries belonging to the European Union do not need a visa to enter Spain.
- Students coming from other countries should obtain information regarding the requirements for obtaining a visado (visa) at their nearest Spanish Embassy or Consulate. The certificates that accredit and confirm a student's enrollment in a Spanish program at Enforex can only be signed, sealed, and sent by people authorized by Enforex, who will not be responsible for rejected visa applications. These certificates do not hold any official validity; they serve only as confirmation of a course to be taken at one of our schools. Such documents will only be sent to cover the amount of course time initially contracted by the student. Enforex will send out, free of charge and to any student who asks for them, the following documents (if and only if the total cost of the program has been paid):
  - Confirmation of the Spanish program chosen by the student.
  - Invoice for the total cost of the program in question (course + accommodation).
- In the event that the student should urgently need the originals of any of these documents, Enforex will send them and charge the cost of express mail to the student.
- If a student visa is rejected, Enforex will refund the cost of the program minus € 350/$ 400, and any additional basic costs. The student must show Enforex formal proof (original copy) that their visa application has been rejected in order to receive a refund. If this original copy is not received by Enforex, 100% of the cost of the program will be charged.
- Any refund from Enforex if a student visa is rejected will be subject to a 9% charge (a minimum of €75/$90).
- If the student does not obtain the visa on time for the reserved program and needs to delay or cancel his/her arrival, we will charge 100% of the first 2 weeks plus all described cancellation fees (see section Course Cancellations and Changes).

- Flight information (place, date, time, and flight number) must be confirmed in writing at least one week prior to arrival. Otherwise, Enforex will not be held responsible for picking up the student at the airport and there will be no refund.
- If the student cancels the airport shuttle service less than one week prior to arrival, he/she will lose the right to a refund of the cost of that service.
- In the exceptional case that other students who have reserved a private airport transfer service with us and arrive around the same time, our driver reserves the right to combine the transfers.
- In the event of delays or changes in flight information without previous notification, Enforex will not be held responsible for picking up the student at the airport and there will be no refund.

HOLIDAYS

- Please check for updated holiday information before planning your trip to Spain or Latin America www.enforex.com/student-corner/faq/holidays
- Classes missed due to national or local holidays will not be made up or refunded. When more than one holiday falls in the same week (Monday – Friday), either one day of the missed classes can be made up or a 20% discount will be applied to the corresponding course week price for a 1 or 2-week program; if students prefer to receive the discount they must notify us at the time of enrollment. One-to-One classes will always be made up.

PROTECTION OF PERSONAL DATA

- In compliance with Spanish legislation (Organic Law 3/2018 of December 5th, on Personal Data Protection), Enforex would like to inform you that your personal details within these general conditions will be stored in a database (that IEG is liable and responsible for) and used solely for the commercial and operative purposes of the company. By accepting these general conditions, you give your consent to the aforementioned treatment of your personal details and their use for the aforementioned purposes. At the same time, you have the right to request that we inform you of your rights to access, correct, and cancel such information within the established terms of the prevailing legislation, by writing to the following address: Enforex, Gustavo Fernández Balbuena 11, 28002 Madrid (Spain).

AGREEMENT

Upon signing the registration form or paying the program fees, the student accepts all of the conditions described above. If, under any circumstances, outside of Enforex's control, accommodation prices increase, Enforex will notify the student ahead of said changes. The prices in this document supersede all previously existing prices and are valid from January 1, 2025 to December 31, 2025 for all programs taking place between these two dates. Enforex is not responsible for typographical errors and/or misprints contained in this price list. Printed in August 2024 and subject to change.
