Our Academy is situated in Puerto de la Cruz, in the North of Tenerife. The town was once a small fishing village but is now a popular tourist destination and is renowned for its charm, friendly people and its mild, subtropical climate. There is a large central pedestrian zone, plenty of restaurants, hotels, bars and shops. Our town lies at the Valley of La Orotava, the greenest and most beautiful area of the island.

As well as its **landscaped beaches** (Playa Jardín and Martiánez) Puerto de la Cruz offers lots of other attractions: e.g. the historic Botanical Garden, Loro Park with its parrots, dolphins and whales, and the lush Taoro Park. The Plaza del Charco is in the centre of the town and is a meeting point for both the local people and visitors.

Not far away is the town of **La Orotava**, a designated heritage site of particular historical and artistic interest. Visitors will enjoy its narrow cobbled streets and the decorative balconies which are a special feature of the Canarian architecture.

We have **8 air-conditioned classrooms**, (some of them with a view of Mount Teide - Spain's highest peak), students lounge and a library. **WIFI** is available in all the school facilities. Our own **FU Café** serves food and drinks at student prices. During breaks the sun terrace provides the ideal surroundings for a moment of relaxation or a leisurely chat with other students. There is also a **Fitness Centre** in the building.

## The method

All our **teachers** are university graduates, native Spanish speakers and have extended experience in teaching Spanish for foreigners. Some of them also have a good knowledge of English. We aim to make lessons lively and interesting. While teaching we mainly focus on verbal skills, but also all aspects of grammar, reading, writing and listening. Learn more... <https://wespeakspanishtenerife.com/teaching-methods/>

We took the European Reference Frame which consists of 6 levels and divided it into 48 sub-levels:

- Beginners: A1 - 4 weeks
- Low intermediate: A2 - 5 weeks
- Intermediate: B1 - 7 weeks
- Upper intermediate: B2 - 8 weeks
- Advanced: C1 - 11 weeks
- Proficiency: C2 - 13 weeks

## Leisure activities

We offer a full programme of optional extra-curricular activities that will ensure students enjoy their free time as well as the training experience. Once a week, we organise a get together breakfast, surfing or paddle surf (depending on the weather conditions), beach volleyball, Latin Dance and Flamenco lessons, Spanish culture activity, excursions on the weekends, etc.

Some excursions and activities involve extra costs for transport or entrance tickets. The school also organises different sports, dancing lessons or other activities on request, e.g. a scuba dive or surf course or an unforgettable paragliding flight.

**Weekend excursions:** We visit the main tourist attractions on the island, including The National Park of Las Cañadas del Teide, the cities of Santa Cruz and La Laguna, and smaller towns such as Icod de los Vinos, Masca, etc.

For a full description of our leisure activities and excursions, students can feel free to have a look at our reception notice board. Read more... <https://wespeakspanishtenerife.com/activities/>
