

About Us

Our mission is to create more love in the world by enhancing communication between people around the world. The IEP Just English focuses on developing proficiency and confidence in the English language and American culture through a collaboration of approaches placing value on students' real-life applications fostered within the community of the school, neighborhood, and country.

Just English is an educational institution operating across three primary branches located in Long Branch, New York, and Los Angeles. Additionally, we maintain an auxiliary facility in Union City to further support our educational endeavors.

*The Intensive English Program of Justenglish sites is accredited by CEA. CEA's mission is to promote excellence in the field of English language teaching and administration, as well as to protect the interests of students, through accreditation of English language programs and institutions worldwide.

“We worked very hard to build a program for the last 22 years to give you the confidence and tools to experience America like never before.”

Campus

Our campus is located in California, one of the most exciting states in the USA. Our school is vibrant, modern, and offers the latest technology. Our students enjoy all the possibilities our central location has to offer. Los Angeles is a trend-setting global metropolis with an extraordinary history and a rich cultural heritage. It's known as the Entertainment Capital of the World and is home to renowned museums, along with 75 miles of sunny coastline. The dedicated staff from Harvest English Institute Los Angeles organizes monthly field trips and frequent outings to maximize students' learning opportunities. The campus is easily accessible by bus, train, and cars. All classrooms are equipped with smartboards and our students are free to use our computer lab, student lounge, and online library.

Education

The Intensive English Program is subdivided into six levels and makes English unforgettable through multiple exposures to language, numerous opportunities to practice it, and an intensive recycling of the vocabulary. It prepares students to communicate in English with a diverse array of speakers from around the world.

An emphasis on cultural fluency enables students to navigate the social, travel, and business situations that they will encounter in their everyday lives.
