OUR MAIN OBJECTIVE IS TO MAKE OUR CAMP PARTICIPANTS FEEL SECURE AND LIVE A UNIQUE EXPERIENCE TO BE REMEMBERED FOREVER

IBERIAN CAMPS is a Company specialised in the organization of English and Spanish camps for teenagers from all over the world.

Our highly-qualified team has a long experience in organising camps and is formed of native teachers of English language and Spanish for foreigners, as well as sports and leisure instructors, and dancing, percussion, voice and plastic arts teachers.

We will do our best to make them forget about technology for some hours, to shed the fear of speaking in a foreign language and to make them socialise with young teens of the same age but different countries.

FACILITIES:

Our language classrooms are fully equipped and located at 1 minute walking distance from our residence. **Our residence has all amenities needed by teenagers and 24 hours security control.** Most of the activities take place either at the facilities of the University of Alicante, one of the best international campus, or at the residence.
