Football Camp SIA Valencia

-high performance-

Football Camp

High performance summer camp organised by the prestigious Football Academy SOCCER INTER-ACTION.

Location: at the Football Academy SOCCER INTER-ACTION in Enguera, Valencia (Spain). Distance to Valencia Airport (50 mins.) and Alicante Airport (1h 15mins.). Football and accommodation facilities are together.

Duration: from 1 to 8 weeks (arrival on Sunday and departure on Saturday). From 23rd June to 17th August 2024.

For 13 to 22 year old boys and girls . All activities are planned for the different groups, made per level and age.

Methodology based on the experience in the best clubs in Spain and on the elite quality of our staff (UEFA PRO licensed coaches).

class

1 daily hour of Spanish or English lessons with native and bilingual teachers.

Football programme

The football summer camp **SIA VALENCIA** in **Enguera (Valencia)** is available for all boys and girls aged 13 to 22, who would like to improve their football skills and live the high performance experience with **top-level coaches** and at the same time, learn **Spanish or English** and meet football fans from other countries.

Individual and group trainings

Participants train for a total of 4h30m per day. They are divided into groups according to level and age.

Training is divided into various short training sessions throughout the day. In the morning, coaches focus on improving the players' individual skills. In the afternoon, coaches focus more on tactical strategy and teamwork.

Campers also play friendly matches every Saturday where they put into practice all that they have learned during the week.

Physical conditioning and injury prevention

Since it's not all about training, the players also work on physical conditioning and learn to avoid injuries, as well as recover from them.

Video analysis and workshops

They will learn about the successes and mistakes from other teams, they will do very interesting workshops, they will attend interviews with other coaches...

Nutrition and Sports Psychology.

Health and nutrition is also very important for the camp staff, and coaches dedicate a portion of their time to teaching the young players guidelines for living healthy lives as footballers.

Customized group trips of

Are you the coach of a rugby team and would like to bring your pupils to another country to train and make some tourism?

Are you a ballet teacher and are searching for a place where your pupils can rehearse, learn English or Spanish and even perform in a theatre?

For groups of min. 15 people (younger than 18 years). The person/teacher coming with the group will pay only the flight.

Regardless of your trip's target (sports, dancing, painting, tourism, languages...), we will offer you a proposal within Alicante province (Spain). And moreover:

We make your flight reservations with one of our travel agencies, specialized in group trips.

We propose you different accommodations and we book for you the one you choose.

We contact a bus company and organize all transports.

We include a civil liability insurance and an accident insurance for all group members.

We look for instructors and teachers of languages, sports and other activities.

We organize all meals, with special menus for diabetics, gluten intolerants, allergics, and other food intolerants.

We propose excursions and/or leisure activities
