DELE PREPARATION COURSES AND SPANISH EXAMS.

DELE

The Diploma of Spanish as a Foreign Language (DELE) is the official diploma attesting the degree of competence and mastery of the Spanish language, granted by the Instituto Cervantes on behalf of the Ministry of Education.

At Idealog, we prepare and take care of the registration procedure for DELE official exams through FEDELE (Federation of Schools for Spanish as a Foreign Language to which we belong.) The exams take place in February, April, May, July and November.

DELE preparation courses are specific courses to provide reinforcement in the different skills. The courses take place between 3 weeks and 1 month before the exam date you are enrolled for. It is necessary to have the level of the exam you wish to take before taking the specific course.

More information www.examenes.cervantes.org

SIELE

SIELE is the new certificate that attests your Spanish level with only one exam. It certifies the degree of competence in the Spanish language through four tests: Reading Comprehension, Listening Comprehension, Oral Expression and Interaction.

IDEALOG is an authorized Siele examination center, several exams are offered per year.

ACCOMMODATION

IN FAMILY:

We collaborate with Spanish families selected for their motivation to host foreign students: make them part of Spanish daily life, converse with them in Spanish, prepare traditional dishes, help them discover our region and treat them as a member of the family.

The comfort of their homes, the cleanliness and the proximity to our center are also key elements in the selection. Ideal for children and young people.

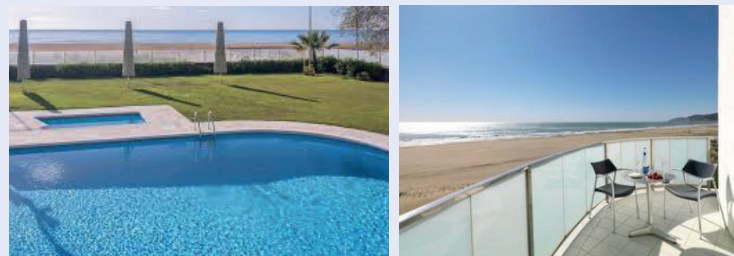

IN APARTMENTS:

we have selected a number of apartments in the beach area for their views and their summer atmosphere.

They can accommodate up to 6 people, ideal for families, closed groups or to share.

IN A HOTEL:

Casteldefels offers a wide variety of hotels of different categories.. This option is recommended for adults who take one-to-one courses or for company groups.
