Influent was set up to respond more effectively and with more agility to the changing needs of language students and hosts around the world.

Experiential learning, education and sharing knowledge have taken a leading role in our lives. Influent is anchored in the belief that the best way to learn a language is by living it, so we have designed language immersions and experiences that are highly personal, effective and more importantly, enjoyable.

The concept: You stay with your host or teacher, and learn the language by living it: through personalised language lessons and/or activities, communication with your host, mealtimes with the family, outings, interaction with new friends, cultural visits... You are totally immersed in the language you are learning, you are the only student and the programme is entirely adapted to your language learning needs.

Influent has a worldwide team of Hosts, Regional Managers, Agent Partners and Language Learning Experts all working together to deliver tailor-made, one-to-one language courses to suit your personal requirements.

We offer courses for language students of all ages (from children and teenagers to professional adults and retirees), for all levels (from beginners to advanced), and we are proud of our track record and the positive student feedback we receive.

Our priority is providing quality service at every stage of your immersion to enable you to achieve your language objectives while living a unique experience of communication, personal fulfilment and cultural discovery.

We very much look forward to helping and supporting you with whatever your goals may be: progress with your education, your career advancement or simply, to live a life-enhancing experience.

HOW?

- You choose your dates (from a Sunday to a Saturday), the length of your stay and the destination
- You select your programme, the number of lessons and/or activities and your options
- We propose the most suitable host for your profile and your requirements, we prepare your project together with you, you validate and confirm your stay
- You stay in your host's home on full board accommodation and pursue the programme of language tuition and/or activities designed exclusively for you
- You are the only student and you are totally immersed in your target language

WHY?

- You learn the language by "living" it, not only is it the most natural way of learning, it has also proven to be the most effective
- The course is entirely tailored to you and your needs, lessons and/or activities are personalised and your host teacher designs a course based on your objectives
- Whether beginner or advanced, your course is adapted to suit your level and your requirements

FOR WHOM?

Children, teenagers & young adults

Our hosts are experienced in hosting young learners and are carefully selected to match their profile and interests. Living with a host provides them with a safe and friendly environment. Students can customise their Language Immersion by combining their Home Tuition Programme with Leisure Activities (General Activities or Cultural Visits are compulsory for students under 18). These enable them to learn while enjoying themselves, which is the most effective way to progress. Options such as Exam or Academic Preparation are available for those who want to improve for school or university. Our Lifestyle Programme is available for those who prefer to learn through activities only, without lessons.

Adults & professionals

We offer total immersion programmes for adults of all ages and language levels seeking to learn or improve a foreign language while discovering a new region and culture, meeting people who speak the language, and engaging in enriching activities and interactions. Whether for leisure, work, a specific exam or personal goal, our qualified and experienced hosts design tailor-made programmes to meet the individual objectives of each adult participant.

Learning a language for professional purposes with a host teacher is the perfect way for adult learners to progress quickly in the subject of their choice. We have hosts with different areas of expertise such as business, marketing, tourism, science, etc. They are able to offer language courses using specific vocabulary and jargon in the chosen field. Adult students can also combine their Home Tuition Programme with General Activities, Cultural Visits, Sports or Excursions, which provide them with a unique insight into another culture, while they learn not only through theory but also through practice. For adults looking for a high standard of accommodation we offer a Superior Homestay Option with our most exclusive hosts.

For full details on our programmes and options, see pages 13 to 21

PERSONAL INFORMATION

It is important that you give us as much information as possible about yourself (allergies, smoker/non smoker, language level, interests, etc.) in order for us to select the most suitable host family for you.

DESTINATION

We consider the choice of host family more important than the region so please give us several choices of area in the chosen destination when possible.

HOST SELECTION

Our Regional Managers have personally interviewed the host teachers and inspected their accommodation.

They have a recognised teaching certificate and/or a university degree and have a minimum of 2 years experience teaching.

They have been selected not only because they are dedicated and professional but also because they have a passion for teaching, can offer a comfortable and hospitable home, are warm, friendly and love sharing their daily life and culture.

Hosts can vary from the traditional family with two adults and one or more children, to one-parent hosts with one or more children or hosts who live alone. Some school teachers host and teach language students during their holidays, some who have retired enjoy teaching on an occasional basis, others enjoy teaching in a different way from home.

HOME TUITION PROGRAMME

It is the most effective way to make rapid progress: you stay with your teacher who will give you private lessons tailored to your needs and goals. It completely immerses you in the language you are learning as you put into practice what you have learnt during your lessons through social interactions and meal times with your host.

The Home Tuition Programme includes:

- 10h*,15h, 20h, 25h or 30h private language lessons per week
- Accommodation in your teacher's home
- Meals and social interaction with your host

Choose the number of language lessons you require and personalise your Programme according to your needs, interests and preferences with a multitude of options and specialisations to choose from. Some things cannot be learnt by studying in the traditional way, fluency is achieved through living the language, using the target language constantly and in your everyday life. Culture, entertainment, leisure and current events are embedded in people's language and these are as much part of the language learning process as the lessons.

*10 hours must be combined with General Activities and/or Cultural Visits and/or Farm Activities.

⚠ Students under 18 must book General Activities, Farm Activities and/or Cultural Visits with their Home Tuition Programme.

"It was amazing! My teacher was kind, funny and excellent. We had a lot in common so it was a bit easier to forge a bond between us. We did a lot of various activities and my teacher knew the city and its good places very well. I am now much more comfortable with the language and my vocabulary has extended. Over all, I had an amazing time and I will never forget it"

TERMS & CONDITIONS

By enrolling you confirm you accept and you are aware of the following:

Our services

Influent offers language immersion programmes worldwide, for participants of all ages and levels.

You stay with a host and/or teacher, with other members of the host's family where applicable. Different types of stays are offered all year round and may include language courses, activities, visits or other options. Courses and/or activities or visits generally take place during the week, but can also be done at weekends and/or on public holidays, depending on the schedule decided upon by you and your host so that the total number of hours booked are completed by the end of the stay. One hour of language tuition in your private teacher's home = 60 minutes.

Enrolment

Upon receipt of your enrolment, we will select the host most suitable to your profile. You are free to refuse this proposal if you feel that the host does not meet your requirements, and we will propose another one. We consider that the choice of host is more important than the area so request several choices of area in the chosen destination if possible.

Host selection process

We organise stays for participants of all levels. It is essential that you indicate your language level when booking to allow us to select the host and/or teacher best suited to your profile and specific needs.

One participant/student is assigned per host or teacher, except in the case of a shared programme. The host family may have guests or friends at the same time as you provided that they are not of the same nationality or mother tongue as you and that this does not interfere with your lessons or stay.

To the best of our knowledge, the host's details are correct when we provide them, and we cannot be held responsible for subsequent changes to these.

We cannot guarantee that all the host family members will be present during your stay as our contract is with the host or teacher, not with other family members.

In some cases, you may be placed with two or more families during the course of the same stay (for long stays, for example).

Payment

Payment should be made 1 month before arrival, in the currency indicated on the invoice:

By bank transfer:

- To the account provided on the invoice

Or

By card:

- Using the payment link provided on the invoice

Insurance

Insurance is not included. You must take out your own insurance against illnesses, accidents, loss of property or cancellations.

Travel

Influent does not arrange travel. As this service is not included, you (or your parents/legal guardian in the case of minors) must take care of travel arrangements: flights, ferries, trains, etc. You should also find out about any formalities/documents required, depending on the country of departure and the destination, e.g. a valid passport or ID card, authorisation forms for minors travelling alone, ESTA, visas, health documents, etc. Please check with the embassies and consulates in your country and chosen destination. We cannot issue visas, but we can send you a letter of invitation or a certificate of acceptance if this is required to allow you to apply for one from the relevant authorities.
You are solely responsible for obtaining all travel documents and visas required, and Influent cannot be held responsible for failure to obtain them, for inappropriate or incomplete documents, lack of information, or non-acceptance by authorities before or during the trip.

Transfers

Transfers can be booked as an optional extra. We can organise them to and from the airport, port or train station, depending on the host's location, and they will be taken care of either by a member of the host family or a driver.

We must receive travel details well in advance in order to arrange any transfers booked, one week before arrival at the very latest. If not, we reserve the right to cancel them.

A mobile number is required in all cases.

Transfers are usually individual but may be shared with students arriving/departing at a similar location and time.

A supplement may be charged for early arrival (before 8 a.m.) or late departure (after 10 p.m.).

If no transfers are booked, you should contact your host directly to give them the appropriate arrival time. If the host does not hear from you, you will be expected after 7 p.m.

Cancellations

Cancellation fees are as follows:

- 28 days or more before arrival: £200, €250, USD250
- 27 days to 1 week before arrival: 50% of the fees
- Less than one week before arrival: 100% of the fees

Cancellation charges for Sports and/or Excursion Options may be added as they are usually booked by the hosts well in advance and are most often non-refundable.

Date changes

- A change of dates 28 days or more before arrival is not subject to an alteration fee.
- A change of dates 27 days or less before arrival is subject to an alteration fee of £200, €250, USD250.

Host cancellations

In the case of unforeseen circumstances (personal problems, health issues, etc.), should the family cancel before arrival or during the stay, a replacement host family will be provided.

Refusal by the participant of this replacement will be considered a cancellation and the relevant cancellation fees will apply.

Issues/Complaints

Regional managers in the host's country are always available to help you with any issues you may have, and these can usually be solved very quickly as they are often related to language misunderstandings or cultural differences. Problems that cannot be resolved are rare, but if you feel that you and the host are not suited, or you are not happy in the homestay, the regional manager or Influent must be contacted so that a change of host can be arranged. Claims after the stay will only be considered if we have been notified of issues during the stay. In the case of minors, this is the parent's or guardian's responsibility.

Privacy policy

In order to organise your immersion programme, Influent needs to collect certain personal data, in particular regarding your identity. In accordance with current EU legislation, you have the right to access, rectify and delete any personal data concerning you, by written request.
