ABOUT US

IH Sydney Training Services Pty Ltd. is one of Australia's most highly regarded providers of English-language, teacher-training and career-focused vocational education.

We operate 7 campuses throughout Australia, offering high quality courses at the following locations:

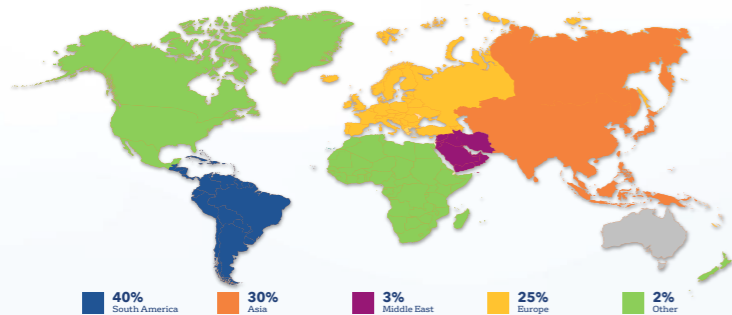

- IH Sydney City
- IH Darwin
- IH Gold Coast
- IH Bondi
- IH Melbourne
- IH Byron Bay
- IH Adelaide

Established in 1997, we are a trusted worldwide education leader. With the growth of our career-focused vocational courses, the company is one of the most comprehensive and innovative education providers in Australia.

IH Sydney Training Services will give you the best opportunity to reach your goals - from improving your English, to focusing on teacher training or more general career-focused vocational education, including business, project management and digital marketing. Our courses provide you with the skills and foundation needed in the global, digital world of the 21st Century.

Our reach is global, but our culture and approach are friendly and personal. That is why people travel from around the world to get the best of both worlds.

FROM ALL CORNERS OF THE GLOBE

We pride ourselves on having a rich mix of students. Every year, across our campuses and courses, we have students from more than 85 countries. Our schools nurture and treasure a great multicultural environment because it enriches the International House experience for everyone.

MEMBER IH WORLD ORGANISATION

International House is one of the largest and longest-established groups of language schools in the world. Founded in 1953, the organisation provides an innovative approach to learning. Home to more than 60 countries, IH World is a global network of 150 language schools.

IH schools are proud to train about half of the world's CELTA graduates, which makes us the world's leading provider of the most-recognised and respected English-language teaching certificate, issued by the University of Cambridge.

With over 200,000 students and 5,800 teachers, you'll be in good company at IH.

AEAS OFFICIAL COURSE PARTNER

A program specifically designed to promote test organisation, time management and response skills as well as to support genuine language development. There are 5 modules in this program - reading, vocabulary, writing, listening and speaking.

AEAS Test Preparation Course

Taught by AEAS trained ESL teachers	30 hours, 5 modules	Supports genuine language development and promotes test-taking skills	Small class size (max 6 students)	Sydney City & Gold Coast campuses

How does this course work?

- This course includes 5 modules (Reading, Writing, Speaking, Listening, Vocabulary).
- The modules are delivered face to face or online.
- There are different curriculums for Years 10-12, Years 7-9, and Years 4-6 based on Australian academic year levels.

What skills will students develop?

This course is designed to actively develop English language ability across the skills of reading, comprehension, vocabulary, writing, listening and speaking. An important element of this course is to teach students the skills necessary to successfully prepare for any test or exam.

The AEAS Test Preparation Course focuses on building the skills necessary to study, review and sit the AEAS English language proficiency test. These test-taking skills are important life skills that students will use throughout their academic years.

Studying in Australian Schools Preparation Course

Taught by qualified, native English-speaking teachers	42 hours 6 modules	Building confidence in communication in English	Small class size (max 6 students)	Sydney City & Gold Coast campuses

How does this course work?

- This course includes 6 modules (Reading, Writing, Speaking, Listening, Vocabulary, Review).
- The modules are delivered face to face or online.
- There are different curriculums for Years 10-12, Years 7-9, and Years 4-6 based on Australian academic year levels.
- AEAS issues a certificate to students following successful completion of the course. Successful completion of the course is also listed on the first page of the AEAS Report, providing additional information to the school the student wishes to attend.

What skills will students develop?

Students will develop independent study and organisational skills that will enable them to take personal responsibility for improving their English language skills and in the long term, succeed in an English-speaking education system.

The course also focuses on improving interpersonal skills to foster greater interaction between international students and local students and teachers when studying in Australia.

Students will have a greater understanding of the Australian style of learning and common Western culture upon completion of this course, and will have greater confidence when expressing themselves in English.

How We Teach

Face-to-Face Training

Our face-to-face delivery provides all students the opportunity to challenge their learning development in a way that helps them expand their thinking, giving every student what they need to get the most out of each class session.

The group and individual interaction allows dialogue and group activities in a social environment, builds soft skills and enhances their understanding to achieve competency in a class setting.

Flexible and Mixed Mode Training

Our flexible delivery consists of a mixture of face-to-face delivery and virtual attendance, where students are guided through the course material, and answer questions and clarify information provided in **the learner guide, our LMS (OTrain), Rise, and YouTube.**

1. Virtual (training available online or via email submission)
2. Attendance required (training includes some fixed-time online lectures or fixed-time class components)
3. Fixed submission dates (assessment pieces have set submission dates)

Vocational Education and Training (VET) courses prepare future professionals for a fast-moving world. We are committed to providing high-quality training and internationally recognised qualifications, which give our graduates a true advantage when seeking employment opportunities worldwide.

GRADUATE JOB READY!

We help to bridge the gap between theoretical education and what the industry needs, providing students with practical experience in their chosen field. ihBC offers internships via InternMatch.

The **InternMatch** internship program includes a 12-week work placement where you will be able to utilise the skills and knowledge you have developed through your studies at ihBC in the workforce.

InternMatch is not a recruitment agency, it engages purely in facilitating work placements. It is important to note that interns are not paid by the host employer, nor is there any guarantee of employment resulting from the placement. As the hours worked do not count as paid employment, student visa holders are permitted to work the standard number of hours specified in their visa conditions for paid employment in other positions.

Work placement provides students with practical experience and application in the Australian Work Force, contributing to their career development and direct industry exposure.

IMPORTANT: Completing the 12-week internship is **MANDATORY** for students completing the **Diploma of Social Media Marketing 10904NAT** who do not have employment in a **Social Media** role.

Internship Program is offered to all students for other courses. Cost may be incurred.

EXPANDING EDUCATIONAL HORIZONS

THE FUTURE OF EDUCATION

We are dedicated to equipping our students with the practical skills and knowledge needed to excel in the modern business world. One of the ways we achieve this is through the innovative use of virtual reality (VR) headsets. These devices allow our students to immerse themselves in realistic simulations of business situations, providing them with a firsthand experience of what it's like to be inside the working industry.

By incorporating VR technology into our curriculum, we bridge the gap between theory and practice. Students can step into virtual boardrooms, interact with virtual colleagues and clients, and make strategic decisions in real time. This interactive and engaging approach enables our students to develop critical thinking, problem-solving, and decision-making skills in a risk-free environment. They can explore different scenarios, analyze their consequences, and learn from their mistakes, all within the safety of the virtual world.

ACADEMIC PATHWAYS

At International House Sydney, we understand that the student educational journey doesn't stop at language acquisition. That is why we have forged strong connections with esteemed VET institutions and universities, ensuring that students can continue their studies without any obstacles. These partnerships open doors to specialized vocational programs or the chance to pursue higher education at renowned universities.

By collaborating with esteemed VET institutions and universities, International House Sydney ensures that students can progress from English language courses to vocational training or higher education seamlessly. These pathways not only facilitate academic advancement but also offer practical articulations and credit transfer recognition, allowing students to leverage their language skills in a broader context. We also provide comprehensive guidance and assistance throughout the application process to ensure every student's needs and aspirations are adequately met.

OTHER SERVICES

We want our students to have an excellent experience in Australia, inside and outside the classroom.

ACCOMMODATION

We organise Homestay or Residential accommodation for our students.

AIRPORT TRANSFERS

Professional drivers will pick up the student from the airport and take them to their accommodations.

OSHC Overseas Student Health Cover

The Australian government requires all students to arrange OSHC before applying for a Student Visa. We make the process seamless as we include this in the Letter of Offer.

ACADEMIC COUNSELLING

We offer free academic counselling to all students at any time during their course to clarify doubts or concerns about their progress and objectives.

THE STUDENTS SAY

from English language to advanced courses...

Bruno Brandao
Brazil

General English
IH Darwin

“ I could not have asked for a better start than IH Darwin. When you're new to learning a language, you can hardly understand anything! But this doesn't act as a barrier because we students are always helping each other.

We have found a solid support team at the campus. These are all friendly and good people.

The teachers here are thoroughly professional and dedicated, and look after their students. They believe in us and encourage us to get better at the language.

I had never studied English. I'm slowly learning the ropes, but my teachers know what my struggles are - grammar and writing - and they make sure we get better each day.

Learning at IH Darwin has been an enriching experience, and I can't recommend it enough to those looking to learn English in Australia. ”

Denisse Jimenez
Mexico

Diploma of
Leadership & Management
BSB50420 CRICOS 104159A

Denisse started her IH journey with General English in Melbourne before moving to Sydney and deciding on Business courses such as Project Management and Leadership and Management.

“ I have been studying at IHSTS for two and half years, and it's been one fulfilling experience. The teachers are very well-informed and provide you with the best resources to gain industry knowledge.

What kept me going further with the IH family is that they have so much flexibility to offer. They have seven campuses, and if you decide to move to another city which happened in my case, they make your migration a very smooth ride. One can study and work together without compromising anywhere. ”
