Before you go

We understand that at times you may feel nervous when preparing for your stay in Oaxaca. There are some important things you need to know before you leave that will make your life easier when you arrive. Use your checklist on the next page to ensure that you do not forget anything and you are well prepared for the exciting times ahead of you

Pocket money

We recommend that you budget \$1,000 - \$1,500 pesos for every week of your course. This should be enough for your personal expenses, laundry, local travel and activities. You will need additional money if you plan to rent a car, take weekend trips, shopping or travel. Bring \$1,000 pesos with you in cash and the rest in debit / credit card. These should be in small denominations. As a general precaution, you should not carry around large amounts of cash.

Clothing

Students dress casually for classes. You should bring some nice clothes for going out to restaurants, museums, galleries and nightclubs, etc. You should also bring clothing for sports and outdoor activities. The climate is changeable and may be very different from your own. The typical summer temperature is 34°C and in winter 12°C.

Electric current

Standard voltage in Mexico is 120 volts. To make sure you are able to use all your electrical appliances bring an adaptor with you.

Arriving in Oaxaca

HOW TO GET FROM THE CITY TO THE AIRPORT

You should fly to Oaxaca International Airport which is just 12km of Oaxaca city. You can take a taxi or shuttle bus to the center.

Car transfer:

IH Oaxaca can arrange a private airport meeting and transfer service from the airport to your lodging in Oaxaca. On arrival at the airport students will be greeted by an International House representative who will be holding a sign with your name on it.

Cost: \$US100 for 1 person, or \$US75 per person for 2 or more people.

The prices quoted are for transfers from 08:00 to 18:00 (arrival time at the airport) If the students need a transfer before 08:00 or after 18:00, these prices will be increased by 50%. Please note that we need the arrival information at least 2 working days before arrival.

Collective van:

Catch a shuttle bus to Oaxaca from outside the National Arrivals Terminal. The bus leaves every 30 minutes from 08.00 to 20.30 and costs approximately \$200 pesos.

Taxi:

Alternatively, you can take a taxi from the airport directly to your lodging in Oaxaca. A taxi from the airport will cost around \$500 pesos (if before 08:00 or after 22:00). Note that taxi drivers only accept cash

First steps

WATER:

Drink only bottled water. Never from the faucet.

DONT FORGET

CELL PHONES:

US American cellular phones will usually work fine; European mobile phones will not usually work at all. If you are staying here a while, you might want to invest in a Mexican mobile phone. The major mobile providers in Mexico are Telcel, Movistar and AT&T Unidos. You'll be able to buy a sim card from one of their stores or convenience store.

WHERE TO CHANGE MONEY:

Small money exchange offices ("casa de cambio") are all over the town and usually open until 20:00 or 21:00. Their rates will be about 30 cents lower than the bank rate, and will be mostly the same from office to office, although may be worth looking for a better deal. There's no commission and the service is much quicker than in any bank. Whenever you exchange currencies other than those most recognized internationally, such as US Dollars (\$), Euros (€), or Sterling Pounds (£).
