ABOUT ISAL

ISAL is an English language school for International students and professionals. Known for its customized and personalized approach to English instruction, ISAL is different from other language programs.

Our programs include:

- Intensive English,
- Test Preparation,
- Cultural Immersion,
- Business English and more.

ISAL's facility is equipped with vital technology and resources, and is located in a vibrant and International neighborhood of Boston surrounded by world-class universities, including Harvard University, Boston University, MIT, and Boston College.

ISAL is easily reachable by train, bus, or car.

We provide our students with a wide range of personal and social support services that only a small, independent school like ours can provide!

BOSTON

Said to be the most European city in the US, Boston is a true melting pot of foreign culture and features 23 unique and vibrant neighborhoods. Boston also boasts 52 colleges and universities, more than any other city in the country.

Boston has so much to offer no matter what your interests.

Whether you're a history buff, an art-enthusiast, or sports fan; or if you just love the great outdoors, Boston is for you!

ESL ENGLISH AS A SECOND LANGUAGE

INTENSIVE ENGLISH PROGRAM

The Intensive English Program (IEP) is intended for non-native English language learners whose goal is to advance at an accelerated pace.

FOCUS

This course focuses on the four major components of language acquisition:

- speaking
- listening
- reading
- writing.

LEVELS

Students work towards building a strong foundation in the English language that will aid their future academic, professional, and personal lives.

The Intensive English Program offers **7 levels**, reflecting levels A1 to C2 of the Common European Framework of Reference.

Upon completion of the IEP students are given the opportunity to continue their studies in Business English or Test Preparation courses.

ESL CULTURAL IMMERSION

An important component of any language education experience is the cultural exposure that accompanies it. Living in a city and learning about its culture marks the difference between simply looking in as an outsider and actively participating in daily life.

OUR PROGRAM

This course combines the study of English language with immersion into the culture of Greater Boston.

English coursework is tailored to match the daily cultural activities. By integrating English language learning with immersion in local culture, students maximize the real-life application of the language.

Students will be exposed to:

MUSEUMS & GALLERIES

PARKS & GARDENS

MONUMENTS & HISTORIC

MUSIC & THEATER

SPORTING EVENTS

OTHER SIGNATURE ATTRACTION

Additional features of the program are optional and include: free breakfast, transportation to/from excursions, and college tours upon request.

TEST PREPARATION PROGRAM

TOEFL

This is an intensive 20-hour TOEFL preparation course. The course is designed to be completed in one 4-week session. Students may take the course multiple times until reaching their desired test score.

The aim of the class is to provide daily intensive training in each of the exam's four sections:

- Reading,
- Listening,
- Speaking, and
- Writing.

The students utilize a TOEFL textbook and other supplementary materials to prepare for full-length practice exams that will be administered every Friday.

Duration: 1 month; 20 hours/week

Tuition: \$800.00/month + one-time \$150.00 book fee

BUSINESS ENGLISH

Want to take your professional communication to the next level? ISAL can help.

- Increase your fluency in English, including speaking skills and written communications
- Learn the terminology unique to your business
- Understand the cultural norms in the International business environment

In today's global economy, effective correspondence between countries is essential. To increase your value within this market, you'll need to have more than basic proficiency in English. At ISAL, we customize our **Business English program** to help you meet your personal goals, whether it's thriving in your current role or finding your dream job.

The Business English Course curriculum is designed to immerse professionals in real-life business scenarios, focusing on English language skills within that context.

As part of ISAL's Business English program you will:

- Experience comprehensive on-site training designed to improve interpersonal skills, communication, grammar, business etiquette, formal and informal conversation, pronunciation, presentation skills, cross-functional business terminology, and public speaking
 - Gain an in-depth understanding of how to conduct business in the International workplace
 - Address issues related to working and living abroad
 - Get a better understanding of American culture
 - Minimize language barriers unique to the workplace and business communications

Students are given the opportunity to visit companies, attend business meetings, and interact with local professionals in both formal and informal settings.

ISAL's Unique Approach

- Customized coursework to fit your individual skill-sets and goals
- A focus on cultural immersion experiential learning
- Real-life scenarios your unique workplace

DISTANCE LEARNING PROGRAM

The Distance Learning Program is offered to International students and professionals who are unable to come to the United States to study. The curriculum and content of the Distance Learning Program are designed to mirror ISAL's in-house Intensive English / ESL programs and SAT and TOEFL prep courses.

Format

- The online coursework is set up through Google Classroom.
- Classes are conducted **live online** by the ISAL instructor(s) and are recorded.
- All recorded classes are uploaded onto the Google Classroom platform so that students can access them at any time.
- All coursework, assignments, and exams are accessible through students' Google Classroom accounts.

Requirements

- All students are required to take a placement exam prior to enrollment
- Technical requirements must be satisfied by the university offering the course:*
 - High-speed Internet connection (quality of connectivity must be tested prior to the beginning of the course)
 - Set up account on www.fuze.com
- In University classroom settings, the University Instructor must participate in a mandatory training session to become familiar with the technical processes of the program.

*When students are studying independently, students must satisfy all of the technical requirements themselves.

Price and Structure

| ESL Course | SAT Course | TOEFL Course |
|-----------------------------|-----------------------------|-----------------------------|
| \$500 per student | \$1,200 per student | \$600 per student |
| 12 weeks | 16 weeks | 12 weeks |
| two 4-hour classes per week | two 4-hour classes per week | two 4-hour classes per week |
