From Spring 2025, ISI Japanese Language School will enter a new stage.

# The grand opening of our Shinjuku campus!

ISI Language School Shinjuku will open as the largest campus in the ISI language school Group. We offer a curriculum that meets the needs of all types of students. This includes supporting students with entering higher education in Japan, finding employment, day to day conversation practice, as well as comprehensive services for international students, making the school a fantastic learning environment.

## A comprehensive learning environment that goes beyond just Japanese language study

ISI Shinjuku, which boasts a capacity of 4,500 students, will open with comprehensive services for international students based on the concept of "Discovery Gateway" (see front page).

In response to the growing need for workers in Japan, we are starting a Career Japanese Course at our Takadanobaba campus.

For those who want to work in Japan, build a career in Japan, start their career anew, or find a way of working that suits them best. Our Takadanobaba campus has a variety of systems in place to support these students.
