THE SCHOOL

Iter Camino Idiomas is an academy located in Valencia, a beautiful coastal city in Spain. Specifically, we are located on Tomás i Martí Street, No. 7 in the Beniferri neighborhood, a quiet area of the city and very well connected both to the city center (30 minutes on foot) and to the airport. In the surroundings, we can find all kinds of essential services: banks, post office, supermarkets, as well as bars, restaurants, and leisure places, a library very close to the center, and extensive public transportation services: bus stops (No. 62 and 63), metro (Beniferri station), and tram (Florista station).

Iter Camino Idiomas has been a language teaching center from its beginnings, focusing on teaching Spanish and Spanish culture to foreign students and teaching Chinese to Spanish and Chinese students. We use the most modern teaching methods based on the communicative approach and the European Framework of Reference for Language Teaching, as outlined by Iter Camino and the Cervantes Institute. A highly qualified group of teachers, classes of the highest quality, student quality control, and individualized follow-up are some of the pillars on which Iter Camino bases its work to maintain the interest and daily effort of our participants. Additionally, we are an authorized SIELE exam center (No. 32809) and offer the realization of these exams every Tuesday and Friday in the afternoon (from 16:00 to 19:30).

THE TEAM

Iter Camino has a highly qualified and efficient team that will help you solve any doubts, so you should feel free to approach any of us:

Adan Liu, the director, is responsible for the financial and accounting department of the center and is also available to help with any issues.

Bing Bing handles the marketing and administrative department of the school, so you should approach her for payment and deadline matters.

Daniel Muñoz is a Spanish teacher and head of studies. Among his missions is to organize course programs, structure various groups, and serve as a contact between students and the center's directors. Feel free to contact him at any time to solve academic doubts.

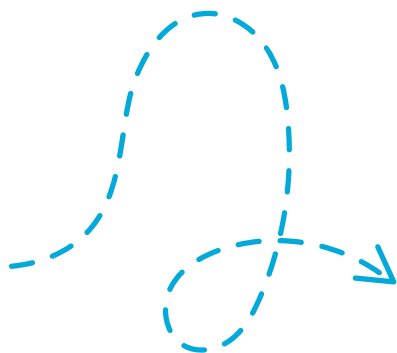

THE STUDENT

Your teachers know that Spanish is not your native language and that you have not studied in Spain; therefore, they will provide you with all the necessary information for you to understand them. However, it is expected that you behave like a mature and responsible person.

Class Attendance

Attendance to class is a privilege, and it is expected that all students attend regularly and punctually to all their classes. Each teacher will take attendance in their classes. These records are reviewed by the management of Iter Camino. Classes will be taught by prepared and experienced teachers. Attendance Certificate.

The center will issue a certificate at the end of the course. It will be based on the constant evaluation of your progress and the European Reference Framework scale. You will be entitled to it when you have satisfactory attendance, a positive attitude in class, and work normally. The center reserves the right not to issue this certificate to those students who have not attended or actively participated in class as they should have. Additionally, in the interest of quality teaching, teachers will continuously evaluate the contents in which the subject is divided: reading and listening comprehension, oral and written expression, grammar, and vocabulary.
