KAPLAN TERMS & CONDITIONS

If you would like to see our terms and conditions, privacy policy, and other agreements, you can read each section in full detail.

Application Process

1. Application

Please send the signed application form to your Kaplan representative that includes a minimum 10% deposit of the total invoice, or service fee of USD\$250/GBP£200/CAD\$250/EUR€250 (currency dependent on study destination), whichever is more. If applicable, the courier fee. Students 18 and over (19 and over for students attending our Vancouver location) must sign the application form to say that they have read and agree with these terms and conditions. The parents or legal guardian of students under 18 (under 19 for students attending our Vancouver location) must read and also sign the application form on their behalf.

Contract Formation:

By signing and returning the application form the student is agreeing to enter into a binding contract with Kaplan. On Kaplan receiving the completed and signed application form and application fee, if the student's program and accommodation are available, Kaplan will produce a booking confirmation. Once this booking confirmation has been issued, a legally binding contract based on these terms and conditions will be formed between the student and Kaplan subject to the student meeting all applicable immigration requirements.

Your privacy is important to us. It is important that you read our privacy policy which informs you about how we process your personal data. This can be found at:

www.kaplaninternational.com/privacy-notice.

Kaplan is subject to laws imposed by various jurisdictions on conducting business with sanctioned parties and countries. It is our policy to fully comply with applicable sanction restrictions, including those imposed by the United States, United Kingdom, and the European Union. While we are not prohibited from transacting with individuals with a connection to a sanctioned country, we need to ensure that no part of the transaction will be in contravention of US, UK or EU sanctions laws under a series of prescribed compliance checks, including verification as to source of funding and persons providing such funding, before any monies or services can be transacted.

2. Payment deadline

All program fees must be paid in full (unless otherwise notified) no later than 30 days before the program start date. If a booking is made less than 30 days before the program start date, the fees are immediately payable. If payment in full has not been received prior to your program start date, you will not be allowed to start your program. For some destinations, a deposit may be required (the "Program Deposit"). The Program Deposit is refundable in the circumstances permitted by our refund policy. See "Refund Policy" below for more information.

• USA:

In the USA, the minimum length of enrolment is 1 week and the maximum length of enrolment (including any breaks in study while remaining in the US while enrolled at Kaplan) may not exceed 36 months. You may not be charged more than 52 weeks (12 months) of tuition at any one time.

3. Visa information

Visa requirements are subject to change, and it is the responsibility of the student to arrange all applicable travel permits or visas and to have a valid passport and leave to remain for the whole period of study. The student may be asked to make payment in full prior to the issuing of any of the visa documentation referred to below. For under 18 students, completed documentation from a parent or guardian will be required before a student visa can be issued. Visas are not required for online only programs.

• UK:

If your application is successful, we will provide you with an offer letter for a Visit Visa (6 months) or Short Term Study Visa (11 months). See the following website for further details: <https://www.gov.uk/browse/visas-immigration>. Please note an STSV can only be used for the course and school on the initial visa application. The student cannot transfer to another provider during their stay in the UK.

New immigration rules were introduced in January 2021 after the UK left the EU. Students from the EU are now subject to post Brexit UK immigration rules, but can still travel to the UK with minimal immigration checks under the Visitor Route for short trips or study up to 6 months. To study for longer than 6 months, EU students must apply for a Short-Term Study Visa (STSV).

• IRELAND:

We will provide you with an invitation letter to assist you with your visa application.

• USA:

Our schools are authorized under Federal law to enrol non-immigrant students. After your application is received, Kaplan will request proof of funds verifying ability to pay for the entire enrolment in the US, which is required for Form I-20 Certificate of Eligibility issuance.

• CANADA:

Our schools have Designated Learning Institution (DLI) status with Immigration, Refugees and Citizenship Canada (IRCC). We will provide you with an invitation letter to assist you with your visa application, if applicable.

4. Courier fees

A courier service is available on request at the rates below:

- UK: GBP 40

- Ireland: EUR 60

- Canada: CAD 90

- USA: USD 100

5. Travel and medical insurance

Travel and medical insurance is mandatory in most Kaplan school destinations for the duration of your stay regardless of your program length or program/visa type. Kaplan has worked in partnership with a number of partners to create a tailored travel and medical insurance plan. Details of what this covers are available from your Kaplan representative. You are responsible for the belongings which you bring with you to Kaplan schools or accommodation and for taking out insurance for your own possessions. You are required to show proof of medical insurance at the school when you arrive with the sole exception of our online programs. If insurance is required, you will not be allowed to commence a program until you have obtained satisfactory medical insurance. All non-EU students studying in Ireland will also have to register with GNIB within 30 days of arrival.

6. Health declaration

Students must report on their application form any: i) mental or physical illness; ii) allergy; iii) disability; or iv) condition, that:

- may interfere with their ability to successfully complete their program;

- may impact the health and well-being of any other student, host or staff member;

- may require monitoring, treatment or emergency intervention of any kind during the student's anticipated period of enrolment; or

- may require special accommodation.

Kaplan reserves the right to reject an applicant or terminate a student's enrolment in the program if the student's continued participation represents a risk to their health and safety or to the health and safety of other students or staff, or if, notwithstanding reasonable accommodations, in the opinion of Kaplan, the student's physical or mental condition makes the student unable or unlikely to successfully complete their program. Refunds in such circumstances are at the discretion of Kaplan.

7. Tuition fees

Tuition fees include lessons, orientation meeting, use of computer room and internet at school, placement and progress testing and a Kaplan certificate on completion of the program. Kaplan reserves the right to withhold the granting of a certificate attained by a student if tuition fees remain outstanding, or other conditions notified to the student are not met.

8. Additional services

Any additional services (include but not limited to transfers, travel, laundry, telephone costs, excursions, medical costs, special diet, exam fees, change of accommodation, enrolment, amendments and materials fees) are not included in any tuition fees unless specifically stated on a valid invoice.

9. Twin accommodation

At Kaplan's discretion, students may be required to book single room accommodation instead of twin room accommodation.

10. Under 18 year olds

The minimum age for participation in a Kaplan program is 16, unless a student is enrolled on a designated junior program or written authorization has been obtained by the relevant School Director. Kaplan delivers adult programs (except for programs advertised as being for juniors or young learners). Therefore, students aged 16 and 17 are advised that they will be attending classes with students aged 18 and over. Under 18 year olds may be required to pay a guardian fee, provide custodianship documents, live in Kaplan- approved accommodation, book Kaplan's airport transfer service both ways, and purchase a medical insurance policy. All students under 18 (under 19 for students attending our Vancouver location) must provide a signed Minor Authorisation form prior to arrival, and in Canada, students may need to provide a notarized Custodianship Declaration.

• UK/IRELAND:

The British and Irish governments require all students under 18 to submit a Waiver form and an Authorisation of Emergency Medical Treatment form which will be provided at the time of booking. All students under 18 must have travel and medical insurance in place for the duration of their program. You are required to show proof of medical insurance at the school when you arrive. Parents/Guardians of under 18 students are required to sign the under 18 parental consent forms and other documents prior to arrival in the UK. You will not be allowed to commence a program until you have obtained satisfactory medical insurance.

Terms and Conditions

2. Arrivals and departures

All accommodation is booked from the Saturday or Sunday before the program start date until the Saturday morning after the program end date, unless otherwise advised. A partial week may be counted as 1 week's accommodation. Check-in time for most accommodation is 14:00 and check-out time is 10:00 unless special arrangements have been made with the accommodation provider or an alternative check-in/check-out time is noted in the accommodation fact file. Students arriving between 22:30 - 06:00 may be asked to book alternative accommodation in a hotel on their first night due to late/early arrival at accommodation, or be charged an extra night of accommodation.

3. Late arrivals, vacations and absences

If you begin your enrollment late or are absent during your program, we will make every effort to ensure you are able to complete the full period of enrollment, but this cannot always be guaranteed and no refund will be made for the time missed. Periods of absence cannot be made up with a free extension of the program unless the leave of absence has been authorized by Kaplan in advance. Session Break dates are pre-built into the Academic Year and Academic Semester programs and students cannot make changes to these dates. Unapproved breaks taken at other times will be marked as periods of absence. For other programs, granting of any Session Breaks after the program has started will be at the discretion of individual schools, according to visa regulations, and may incur a change fee or be marked as a period of absence depending on location. In the UK, Students are entitled to 1 week's holiday for every 10 weeks that they study. For approved absences (Leave of Absence, Medical Absence or Session Break) after starting the program in the USA, the unused tuition weeks will be added to the end of the program at no charge. For approved vacations or leaves of absence after the program has started in Canada, adding the unused weeks to the end of the program will incur a change fee. In the USA or Canada, if the student is absent for 3 consecutive school days, the student's emergency contact, Kaplan representative or sponsor will be contacted to determine their safety and welfare; if the student is a minor, the authorities may also be contacted. If the student is absent for 14 consecutive days without notice, the program will be terminated. Normal termination refund terms and conditions shall apply.

If changing to a more expensive location or program, the difference in fees will be charged. All changes are subject to Kaplan's discretion and require approval of the School Principal / Director. You will not be charged a change fee if you extend your program, but late homestay extensions may require a re-placement fee. It is the responsibility of the student to pay for any program or accommodation extensions. We also reserve the right to cancel programs at short notice due to insufficient demand.

10. Program changes

21. Changes in the price of the language course and other terms of the contract after the conclusion of the contract-purchases made in Euros

1. Kaplan International reserves the right to unilaterally increase the price of the language course (and other services such as – but not limited to – accommodation, transfers and excursions) after the conclusion of the contract if, between the conclusion of the contract and the beginning of the course, said increase is the direct result of an insignificant increase not foreseeable by Kaplan International and that occurs after the conclusion of the contract in the foreign currency exchange rates applicable to the corresponding language course or service, provided that said increase does not exceed 10 percent of the price of the course or service. In this case, the price of the language course or service will increase to the extent that the change in foreign currency exchange rates affects the price of the course or service per person according to the calculation basis applied at the time the contract is held. contract. Kaplan International will notify the participant in a clear and understandable manner, in a durable medium (for example, by email), of the price increase and its reasons, and will include the calculation of the price increase in its notification.

2. Just as Kaplan International reserves the right to increase the price of the language course, the participant may, conversely, demand a reduction in the price of the course to the extent indicated in clause 1 to the extent that the rates foreign currency exchange rates have changed after the conclusion of the contract and before departure and such change results in a lower cost to Kaplan International. Consequently, if the participant has paid more than the amount due, Kaplan International will refund the excess amount.

3. In addition to the price of the language course or services, Kaplan International reserves the right to unilaterally change the terms and conditions of the contract if the change is objectively justified by virtue of the circumstances that have arisen since the conclusion of the contract and are outside the control of Kaplan International, and due to its insignificance, it is reasonable for the participant. Changes may be made, for example but not limited to, a pre-specified teacher, classroom or course schedule, alterations to a planned course format if such alteration is necessary for course implementation, adjustments to local health and safety regulations, reduction in the number of students per class, adjustments of the course or leisure program to suit local health or safety regulations and reasonable changes in accommodation. Kaplan International will notify the participant in a clear and understandable manner, in a durable medium (for example, by email), of the change in the contract and of any applicable reduction in the price of the course.
