HELPING STUDENTS SUCCEED FOR 85+ YEARS

"DREAM BIG, WORK HARD, AND NEVER GIVE UP." - STANLEY KAPLAN

Over 85 years ago, Stanley Kaplan began tutoring his peers in the basement of his parents' home. As a Brooklyn-born son of immigrants and a first-generation college student, Stanley believed in the power and necessity of education for all.

Today, our thousands of employees working in 27 countries/regions continue Stanley's mission as they serve about 1.2 million students and professionals, 15,000 corporate clients, and 3,300 schools, school districts, colleges, and universities worldwide.

At Kaplan International Languages, we teach English, French and German across eight countries and our prestigious Kaplan method has now been adjusted for online courses, offering excellent digital and live support for individuals, professionals, and academics.

We teach students from all sectors around the world, so you can trust our teachers to provide you with all the tools and guidance you need to gain the confidence to speak these languages naturally. We will match your needs and work to exceed your expectations. It's all that Stanley wanted.

GUARANTEED PROGRESS

We'll make you a promise: study with us for at least 10 weeks, attend at least 95% of your classes and complete all your homework assignments and you'll move up at least one level! If you follow the guidelines and do not reach this goal, we'll offer you four weeks of extra tuition for free.*

KAPLAN TEACHING METHODOLOGY

360° LEARNING

At Kaplan, we believe the best way to learn a language is to completely immerse yourself in it; practicing every day in a supportive environment. We combine this with frequently updated learning materials and technology that keep lessons interesting and relevant. Class activities could revolve around events in the news or recent movies or TV shows.

EXPERT TEACHERS

Our friendly and highly qualified teachers from a variety of backgrounds provide interactive lessons designed to prepare you for using a new language in the real world. Small class sizes allow our teachers to get to know you and help you to build a personalized learning strategy.

KAPLAN TEST OF ENGLISH

Our Kaplan Test of English is an advanced testing system that adapts the questions to your responses. The difficulty of the questions changes as you go along to build a highly accurate impression of your level. This allows us to place you in the correct class and create a more tailored experience for you depending on your needs.
