# OUR KLF JUNIOR CENTRES

Students enjoy the best possible conditions for studying French and making the most of their language study stay in our 5 schools located in Montpellier, Toulouse, Bordeaux, Lyon and Annecy.

Our French courses for juniors consist of 20 lessons of 45 min per week (i.e. 15 hours).

All our teachers are qualified, enthusiastic and use fun and interactive teaching methods to make learning French easier!

We use a standardised teaching method across all our centres, which encourages oral communication and focuses on everyday situations and French culture.

Particular attention is paid to practicing oral communication through role-plays, debates, videos and songs and activities in order to better speak and understand French.

Our teachers use a wide variety of teaching materials and digital equipment.

All students receive the Course Hand Book, a manual to help them make progress in French both inside and outside the classroom.

**KLF welcomes students from all over the world, of over 35 different nationalities!**

## MULTI-DESTINATION STAYS IN FRANCE

# ACCOMMODATION

## HOST FAMILIES

Staying with a host family provides a fully immersive experience; it's the best option for improving your level of French during your stay.

Staying with a host family is an excellent way for students to discover the French way of life, to practise French at mealtimes, to enjoy activities with locals, to make connections and keep in touch with a French family, even after their stay.

Junior and teenage students share their room with one or more students of the same gender.

Our host families are carefully selected according to a very precise screening process and most of our families have been working with us for years.

The families are located close to our junior centres or are easily accessible by foot, tram or bus.

We do our best to ensure that only one student speaking the same mother tongue is placed with each family.

# MEALS

## MEALS WITH A HOST FAMILY

Juniors will have breakfast and dinner with the family.

They will have lunch during the week with their classmates (canteen, caterer or bakery) as well as lunch on Saturday as part of the excursion. They will also have 2 evenings out for dinner during their stay.
