STUDENT VISA

The CENTER complies with the legal requirements for conducting Spanish courses that are the subject of an authorization for a study stay.

1. Invitation Letter.

- In the event that the STUDENT needs a visa to enter Spain, the CENTER can send an invitation letter as proof of enrollment in the course. The following conditions must be met:
 - The STUDENT must enroll in an intensive course of 20 classroom hours per week in an in-person format. This course is not transferable to any other course format.
 - The STUDENT must make the full payment for the course (100%) and for the accommodation reservation if this service is requested from the CENTER.

Once these two conditions are met, the CENTER will issue an invitation letter indicating the following:

- The price and the hours contracted for the course.
- The duration dates and the total number of hours of the contracted course.
- The holiday period during the training stay.
- The address of the accommodation, whether it belongs to the CENTER or not.
- If the STUDENT wishes to receive the invitation letter by postal mail, the shipping costs must be paid in advance.

2. Commitments of THE CENTER and THE STUDENT.

To obtain the certificate of attendance and achievement, the STUDENT commits to attending 100% of the classroom hours of the Spanish course they have enrolled in, within the dates indicated in the invitation letter, as these classes cannot be postponed to other periods under any circumstances.

The CENTER keeps daily attendance records and will notify in writing when the STUDENT, for any reason, does not attend class. After the third unexcused absence, the CENTER is obliged to inform the consular authorities and Immigration in the event of unexcused absences by the STUDENT. This communication to the authorities may result in the revocation of the stay permit.

The CENTER is not responsible for the possible rejection of the visa or if the STUDENT does not obtain the visa on time. Therefore, The STUDENT is advised to apply for the visa well in advance. Any changes made after the reservation will incur a surcharge of €80 (for example, if the STUDENT did not apply for the visa on time and needs to postpone the course).

The CENTER will not make any refund to the STUDENT who has requested and obtained an invitation letter that can be used for the renewal of a student visa or NIE, except in the case of visa or NIE rejection. In such cases, all amounts paid will be refunded, except for an administrative fee of €80 to cover the cost of the return transfer. The refund will be made upon presentation of an official rejection letter from the Consulate or Immigration Office clearly stating the student's name, passport number, and type of visa/renewal requested (duly dated, signed, and stamped). No refunds will be granted for classes already taken, if any.

In the event that the STUDENT is denied the visa, the CENTER will charge €100 for administrative expenses. If the student made a reservation exceeding that amount, the CENTER will refund the difference. To obtain the refund, the STUDENT must send an official visa rejection document from the embassy or Spanish consular service in their country. Without this document, no refund will be made.
