6 Solid Reasons for Learning Spanish with Us

1. EXPERIENCE

We have years of experience in Teaching and in the setting up of Spanish courses for foreigners or even as a second language for learners from France, Germany, Morocco, China, Russia, England ... who have been able to learn and improve their level of Spanish thanks to constant practice and communication.

2. OUR TEACHING METHOD

The methodology used in the teaching of Spanish is one that is based on both a theoretical and a practical part. The theoretical clearly involves grammar and vocabulary build up. Our emphasis is placed on the practical continuum that makes way for practice of the learnt aspects of the theory through discussions, debates, presentations, role plays, games... Like this, learners internalize linguistic features and components.

3. SPECIALISED COURSES

Noûs Formaciones programmes **diverse sets of course** depending on levels, needs and undoubtedly offers flexible schedules for students. Additionally, a wide range of housing

Accommodation Options

A comfortable stay is an essential part of your experience while studying abroad and for that reason we understand the importance of offering a satisfying service during the time you will be around. So, Noûs Formaciones graciously offers the following:

WITH A HOST FAMILY

If you want to share flat with people who permanently live in Zaragoza, families are carefully chosen to host international learners. This enables a full immersion in the language and also quickly improves the learner's competence.

Homestays are carefully selected and offer students the opportunity to learn more about the local culture in a comfortable setting while studying Spanish in Zaragoza. These homes are often between 5 - 15 minutes away from the school by public transport.

FLATS

For those students in search of total privacy, the idea of renting a full flat for themselves is the most advisable option.
