PERU Spanish is not liable for any losses or damages resulting from incorrect or withheld information at the time of booking or during the program.

Enrollment General

All students should have all their booking information prior to arrival, please contact the booking agent if you are missing any information.

Agencies must provide students with all their relevant booking information prior to arrival.

Classes may be in the morning or in the afternoon, depending on availability according to level.

All new students are required to take an online placement test before arrival, which consist in a written and oral interview through zoom. If a student doesn't complete the test before arrival, they might do it on their first day of school at 8:00am. Students cannot choose the level at which they want to study. Students will be assigned to an appropriate level according to their test results.

Welcome orientation first Monday after class.

Students should have the support phone number of the school which will be supplied to them from the Arrival team or their agent prior arrival.

Classes

Level Test: In order for students to move to the next level, they must score at least 75% on the Spanish level test. If the student scores below 75% they will have one more chance to take the test. They can take this test at the school the following Monday at 08:30. However, they will need to pass the second test with a score of 85% or above.

The teachers may vary each week.

If a student loses the class textbook, a replacement text book is provided at a cost of US\$10.

Classes will not be compensated due to illness of the student.

Client Documents & Insurance

The student is fully responsible for ensuring that they have adequate travel documents, visas, travel insurance and medical insurance. Any non-compliance and any resulting damages or losses are the sole responsibility of the student.

Payments

An advanced deposit of US\$100 is required to confirm the program booking. Until this deposit is received we are unable to guarantee program availability. This amount is non-refundable and will be deducted from the total cost of the program when full payment is received by PERU Spanish.

Payments may be made by credit card (Visa, MasterCard or American Express).

We reserve the right to apply interest on late payments and cancel all of the student's future enrollments or running programs if the payment is not received on time.

Changes on booking prior to program start date

Students can make changes for free as many times as they need up to 14 days before the program starts.
