Spanish Programs

Peru is considered one of the easiest places to learn Spanish because Peruvians have a clear and smooth way of speaking that facilitates practical conversation. Additionally, the warmth and friendliness of the locals creates a comfortable but real-life environment where you can practice your Spanish, regardless of your level, without feeling the least bit judged or intimidated.

Our classes are tailored on your needs; teachers will guide you through the learning process and on your first day will make a list of your interest and try to accomplish them on your time of classes. You may take part in extracurricular activities such as visit to museums, churches, art galleries, market and important places in Cusco.

Course description:

With our Volunteer Program, students will have a perfect opportunity to live and work in Peru and to experience the cultural diversity that only Peru has to offer while improving their Spanish skills. While volunteering, students will have the opportunity to see and live the real Peruvian culture, and to live a life-changing experience. In addition of having many volunteer opportunities available, it is an amazing country to travel to.

Students can choose to work with kindergarten, orphanage, and sport with children, animal care, elderly and children with disabilities.

PERU VOLUNTEER AND TRAVEL also helps supporting our project financially by purchasing various items such as medical supplies, food, infrastructure improvements, or educational materials.

Our volunteer programs include half of your time with Spanish classes and the other half with volunteer work. If you feel comfortable with your Spanish level you can start volunteering since the beginning of your program.

Prices include accommodation in home stay; students can choose to stay in our student hostel in single or shared room for an extra charge.

Kindergarten - The children require a lot of care, attention and most importantly, companionship. You will assist teachers with organizing activities; teach basic English, drawing, painting and singing.

After-school/ Teaching English – Helping children with their home work can bring the satisfaction of making children future a little brighter. You will have the opportunity to teach English. Learning to read and write in English provides access to higher paid jobs.

Public Schools – Helping at the school can give the opportunity for teachers and children to learn other cultures, skills and personal development. You will assist teacher with daily task.

Sports Education – Teaching Sport is one of our most popular and fun projects. You can teach the children new games and different sports that they are not familiar with. You may also organize small championships.

Special needs Clinics - Our home for mentally and physically disabled children, accommodation children where the levels of disability can range from moderate to extreme. Volunteers assist with the personal care of the children, providing specialized attention and helping with meals, clothing, bathing, and organizing crafts and games for playtime.

Animal care - A misunderstanding of animal species and how to care for them results in many stray and mistreated pets. You will work to remedy this by providing care and rehabilitation for various animal species at our zoo or shelter from stray dogs, a super rewarding volunteering experience.

Medical & Nursing Internship - Medical students or professionals can support the provision of medical care, participating in hygiene campaigns and healthcare education. Interns will be placed in "Centros de Salud" or clinics which provide both primary and basic emergency care to low-income families. You will be working alongside doctors and nurses, rotating within the different departments of the clinic, such as pediatrics, obstetrics, and general medicine.

Medical Interns will be given a level of responsibility that corresponds to their level of training, Spanish and ability to take initiative.

Dental Internship - For established dental professionals or students, working abroad allows for an opportunity to spread your valuable skills and knowledge to a population that would not usually have access to them. For dental or pre-dental students, working abroad allows you to observe your field in its most basic role and to help people. Dental interns will be placed in local dental clinics and work alongside a licensed dentist to gain experience in practical techniques such as prophylaxis, sealants, restorations, and extractions.

Opportunities may be available to participate in outreach programs in schools and rural communities during the intern's stay.

Physical Therapy - Interns can choose in participating with either the elderly or with children with disabilities, it will depend on their training and experience. Patients in the elderly projects need different kinds of treatment that sometimes take long periods of time, mostly due to the advanced age, distortion and malfunction of the ligaments, muscles, and nerves. For those who are placed with children, they will work mostly with patients that are physically and mentally disabled and need constant physical therapy to develop normal physical movement for different parts of the body.

Tourism & Hospitality Management - Working in Tourism in Cusco is one of the most satisfying jobs! Apart from getting to know the best locations you will get involved in behind the scenes and see how it really happens. You will be working directly under our Volunteer and Travel Coordinator and will be able to learn all the different pieces that must come together to maintain our successful and rewarding programs and tours. Part of your time you will be working with our partner hotel and learn Hotel Management, from the basic to the higher services.

Accommodation

Students will stay in a homestay where they will live with a local family. Students can expect to share a room with one or two other.

We highly recommend staying with a family; that way you will also learn the Peruvian way of life, meet local people, eat typical food, speak the language (Spanish) and engage in local customs and traditions.

Students will be sharing bathroom and common areas with other volunteers and members of the family.

Food & Beverages

2 meals are included (breakfast and dinner). Students can expect to experience a variety of flavors and meals during their experience as Peruvian food is diverse. We will be glad to let the family know if you have special eating needs. Please let us know ahead of time so that we can make arrangements for you.

Cusco

GENERAL INFORMATION

Cusco is located in the Andes Mountains at an altitude of 3 326 m.a.s.l. is a fascinating city and was the capital of the Inca Empire. Cuzco is a Unesco World Heritage Site and is one of South America's most visited cities as it is the largest and most comfortable city from which tourists can begin their visit to Machu Picchu, the Sacred Valley of the Incas, and other Inca sites in the region.

THE WEATHER

Cusco has a subtropical highland climate. It is generally dry and temperate, with two defined seasons. The dry season lasts from May to August, with abundant sunshine and occasional nighttime freezes. The wet season lasts from December to March, with night frost less common.

TRANSPORT

Public busses and taxis are also available at very low prices to get around other parts of the city. Taxis and "collectivos" are commonly used when traveling outside of Cusco to the Sacred Valley. Private transport and busses are available for travel to other departments of Peru or out their country. Rent a cars are Available on a limited basis.
