Bildungsurlaub

What is Bildungsurlaub?

Bildungsurlaub (educational leave) is an educational program for professional or political education offered by several German federal states to employees working in Germany

For Who?

The employees working in these German federal states (Berlin, Rheinland- Pfalz, Niedersachsen (Hannover), Hessen, Brandenburg, Hamburgo, SchleswigHolstein) have the right to take one or two paid weeks a year for training in a school certified by the governments of Germany's federal states. It is part of the right for annual training and for that reason these days are not considered vacation. Schools certified by Bildungsurlaub guarantee the quality of service and lodging.

What type of courses?

For Spanish World Institute it is an important achievement to receive the official Bildungsurlaub recognition in Germany. Our intensive courses (min. 30 lessons) are certified by "Bildungsurlaub". We offer intensive courses both in general Spanish for different levels and Spanish for specific purposes: Spanish plus business, D.E.L.E. preparation, and Colombian culture. These intensive courses, which last one week, combine the learning of this foreign language with cultural, social, political and historical topics about Colombia and Latin America.

School Location

Spanish World Institute is located in Chapinero Alto, a beautiful residential part of Bogotá in Colombia. It is in a Colonial house specially refurbished to provide a suitable academic environment without losing its originality and style.

Our school is close to tourist, cultural and business areas, recreation facilities, parks and numerous shops, cafes and restaurants. The Spanish School is also easily accessible by buses from any part of the city.
