German Visa Course

WHAT'S THE PROCEDURE?

Firstly, you have to ask what you need at the embassy. We can issue the papers regarding the language course after you've done a prepayment of 50 % of the whole course fee. You will then receive a confirmation of registration from us for submission to the authorities.

TERMS AND CONDITIONS

1. If your visa application is rejected by the responsible authorities, you are eligible for a refund of the amount paid, deducting a 250 € administrative fee, if the official notice of rejection is presented within a four month period after the initial course start.
2. The customer is only eligible for a refund if Sprachschule Aktiv was informed about the deferral in written form before the initial course start.
3. If the course can not be attended as defined in the course confirmation, Sprachschule Aktiv has to be informed in written form before the date of the course start.
4. If Sprachschule Aktiv has not been informed, the customer is not eligible for a refund, even if the official rejection letter is presented at a later point in time.
5. If the customer informs Sprachschule Aktiv in written form about a deferral of the visa application process before the initial date of the course start, the customer may postpone the course start for up to four months without any further costs.
6. If the visa is rejected after the initial date of the course start, the official notice of rejection must be presented within a 4 month period after the initial date of the course start in order to be eligible for a refund of the prepayment.
