UNILANG IDIOMAS was founded in 1978. We have been working very hard since then to be able to offer our clients the best satisfaction and effectiveness on the programmes we provide them. We are members of the following associations: A.C.C.E.I. (*Asociación Cántabra de Centros de Enseñanza de Idiomas*), F.E.C.E.I. (*Federación Española de Centros de Enseñanza de Idiomas*), A.C.A.D.E. (*Asociación de Centros y Academias de España*) and Exam Centre of S.I.E.L.E. (*Servicio Internacional de la Lengua Española*), which guarantee the quality of our services.

UNILANG IDIOMAS is situated in the cultural center of Santander and houses the administrative office, classrooms and study rooms for student use. The centre is full equipped with computer access, wifi, video, and a library with language resources. We keep a friendly atmosphere and small personalized groups.

UNILANG IDIOMAS organize Spanish courses for groups and we also have different courses for individuals. Our teaching staff represent the fundamental core of our courses and the linguistic focus of the lessons is based on the communicative elements applied to practical situations, emphasizing oral comprehension and expression whilst not rejecting the other skills like grammar or written communication. All the study programs also include a compendium of topics about life, culture and the customs of our country and, at the end of the course, all the students receive a diploma certifying the attendance to the Spanish course.
